

**AGENDA**  
**2023-2024 Undergraduate Curriculum Committee**  
**January 26, 2024**  
**via Zoom - 1:00 p.m.**

**Call to Order (Shackelford)**

**Roll Call/Introductions (Calahan)**

**Voting Committee Members**

Denise Shackelford, Chair (CME), Brielle Campos (UC), Heather Dillard (COE), Natalie Griffin (COE), Sarah Ji (COB), Paul Kline (CBAS), Theresa McBreen (CLA), Robert Rogers (CBHS), Amanda Swenson (CLA), Richard Tarpey (COB), Elizabeth Whalen (CBHS), Xin Yang (CBAS)  
SGA student representatives: Jenene Grover and Sydney Anthony

**Ex-Officio Members**

Amy Aldridge Sanford, Susan Myers-Shirk, Teresa Thomas, Tyler Henson, Mitzi Brandon, Rachel Kirk, and Karen Dearing

**Approval of Minutes from November 17, 2023**

**Guests enter the meeting**

**Consent Agendas (Regular and Course Discontinuation)**

## Proposals

Proposal	Effective Date	Proposed Action	Detailed Explanation	Reference #
<b>College of Basic and Applied Sciences</b>				
<b>Aerospace</b>				
Aviation Management Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding back CHEM/PHYS requirement	14
<b>Biology</b>				
BIOL - 4780 - Responsible Conduct of Research	Summer 2024	New course	Prerequisite: BIOL 1110 or CHEM 1110 or PSY 1410. Responsible conduct in scientific research. Topics include conflict of interest, plagiarism, reporting of scientific results, authorship, responsible use and care of animals, responsible use of human subjects.	25
<b>Computer Science</b>				
CSCI - 4450 - Blockchain and Smart Contracts	Summer 2024	New course	Prerequisite: CSCI 4300 with a C (2.0) or better. Comprehensive exploration of blockchain technology and smart contracts; focus on security and real-world applications; insights into computer security; vulnerability threat control paradigms; fundamental concepts, features, and characteristics of blockchain and smart contracts; Ethereum-specific concepts, tokenization, smart contract security risks, and vulnerabilities.	34
CSCI - 4460 - Cryptography and Applications	Summer 2024	New course	Prerequisites: MATH 2050 and CSCI 4400 with a C (2.0) or better. Thorough introduction to the principles and applications of cryptography; focus on various cipher techniques, cryptographic algorithms, and their practical applications; emphasis on hands-on labs to reinforce theoretical concepts and develop practical skills in information security.	35

CSCI - 4710 - Secure Software Systems	Summer 2024	New course	Prerequisite: CSCI 3110 with C (2.0) or better. Comprehensive study of principles and practices of developing secure software systems; exploration and identification of software flaws; utilization of source code analysis tools; implementation of software testing with, and conduct penetration testing to enhance the security of software applications.	<b>36</b>
---------------------------------------	-------------	------------	---	-----------

CSCI - 4820 - Natural Language Processing	Summer 2024	New course	Prerequisites: CSCI 3080 and CSCI 3110 with a grade of C (2.0) or better. Proficiency in the Python programming language is strongly recommended. An introduction to the theory and practice of natural language processing (NLP), focusing on processes that enable computers to understand, generate, and analyze natural language.	<b>37</b>
---	-------------	------------	---	-----------

**Mathematical Sciences**

Actuarial Science Minor	Summer 2024	New program	Enrolled students will be able to demonstrate solid understanding of foundational concepts in actuarial science.	<b>12</b>
-------------------------	-------------	-------------	--	-----------

Actuarial Science, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	ACSI 2100 and ACSI 4430 have been added to the Actuarial Science Core requirement. The previously required course, ACSI 4200, has been removed. Furthermore, two courses have been removed from the ACSI core list, where students have the choice to select two. Meanwhile, four new courses have been added to this list. In the supporting core, CSCI/INFS electives changed to CSCI/INFS/DATA.	<b>13</b>
-------------------------	-------------	--	--	-----------

**College of Behavioral and Health  
Health and Human Performance**

Public Health, B.S. (formerly Community and Public Health, Public Health concentration, B.S.)	Summer 2024	Name change Change to curriculum of existing major (including concentrations), minor, or certificate	Change name to Public Health Remove BIOL 2030/2031 Streamline Major Requirements	<b>156</b>
---	-------------	---	--	------------

Speech-Language Pathology and Audiology, B.S.	Summer 2024	Change to Admission Change to curriculum of existing major (including concentrations), minor, or certificate	Require MATH 1530. Require 1 biology (BIOL) course. Require EITHER 1 chemistry (CHEM) course or 1 Physics (PHYS) course. CDIS 4500 will be changed to a required course for the major rather than being a guided elective option. A grade of at least a B- in COMM 2200 and ENGL 2020 will no longer be required. However, the program will continue to require a grade of at least B- in ENGL 1010. The SLPA program will no longer require a minor. Students have the option to pursue a minor if desired, however it will not be a program requirement.	<b>172</b>
---	-------------	---	---	------------

**Human Sciences**

CDFS - 2100 - Dating and Mating: The Science of Love, Sex, and Relationships	Summer 2024	New course	An interdisciplinary survey course over theories and research about romantic relationships. Example topics include attraction, love, sex, communication, satisfaction, commitment, violence/abuse, dissolution, repairing relationships, and emergent issues in relationship science. <b>(TBC)</b>	<b>29</b>
--	-------------	------------	---	-----------

Human Development and Family Science, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add CDFS 2100 to required courses; remove CDFS 3330	<b>79</b>
--	-------------	--	---	-----------

IDES - 1100 - Design Thinking for Innovation	Summer 2024	New course	No prerequisites. Co-requisite IDES 1010 Interior Architecture Career Orientation. Exploration of integrated assessment and solution generation methods to address complex problems. Focus on human-centered approaches to define user needs in context.	<b>82</b>
IDES - 3141 - Sustainable Materials	Summer 2024	New course	Prerequisites: IDES 3140 Materials and Finishes. Co-requisite None. Incorporation of sector specific material applications and industry sustainability and specification innovations.	<b>87</b>
IDES - 3201 - Design Representation and Analysis	Summer 2024	New course	Prerequisite: VCOM 2950 and IDES 3110 with C or better. Introduction to digital and analog design representation methods through the exploration of two- and three-dimensional media. Approaches to sketching, modeling, rendering, and prototyping will be covered as students analyze how representation modes shape unique design narratives.	<b>88</b>
IDES - 3240 - Codes for Interiors	Summer 2024	New course	Prerequisites: IDES 3100, IDES 3110 and IDES 3140 with grade of C or better. This course introduces the student to the basic principles in building codes for interior environments. The student will study the relationships between the built environment and details regarding building and life safety codes, accessibility and universal design requirement and sector specific applications.	<b>90</b>
IDES - 3340 - Studio III	Summer 2024	New course	Prerequisites: IDES 3110, IDES 3320 and CMT 3320 with C or better; Corequisite: IDES 3341. Experiential studio with a focus on design build, design engagement, and intervention in the community. Students research, develop, and design spaces for a variety of diverse community stakeholders.	<b>94</b>

IDES - 3341 - Parametric Design	Summer 2024	New course	Prerequisites: IDES 3110, IDES 3320 and CMT 3320 with C or better. Corequisite: IDES 3340. 3D modeling in parametric applications introduces students to coding in small scale applications.	<b>95</b>
IDES - 4109 - Capstone I	Summer 2024	New course	Prerequisite: Junior standing. The study of research for design problem solving including theory, methods, and contexts. Students will develop a research thesis that will direct their final senior project.	<b>97</b>
IDES - 4121 - Portfolio Design	Summer 2024	New course	Prerequisites: IDES 3320 and IDES 3340 with C or better. Preparation of student portfolio, including projects, resumes, and oral presentations. Review of NCIDQ exam.	<b>99</b>
IDES - 4410 - Practicum	Summer 2024	New course	Junior standing in the program sequence; must be taken prior to graduation. Opportunity for students to gain supervised, practical work experience in their particular field of interest within the industry. Student will be evaluated by his/her supervisor, and a final report/presentation will be submitted by the student to the faculty member detailing the practicum/internship experience.	<b>102</b>
Interior Architecture, B.S.	Summer 2024	Name change; CIP code change Change to Admission Change to curriculum of existing major (including concentrations), minor, or certificate	Program name change to Interior Architecture Removing candidacy Major hour change to 63 Major program revision	<b>105</b>

NFS 1030 - Food and Nutrition Literacy	Summer 2024	New course	Food and nutrition literacy integrates scientific understanding with practical decision-making. Students gain skills to navigate the modern food landscape, distinguishing between evidence-based science and pseudoscience, with an emphasis placed on accurate information acquisition for informed choices beyond basic nutrition. <b>(TBC)</b>	<b>135</b>
NFS - 4102 - Internship in Nutrition and Food Science	Summer 2024	New course	Junior or senior standing. Permission of Department. Experiential learning opportunity that integrates classroom knowledge with hands-on experience in diverse settings. Students apply theoretical learning, develop essential skills, and gain insights into the dynamic field, enhancing their understanding of nutrition and food science. Requires 150 hours at the placement worksite.	<b>137</b>
Nutrition and Food Science, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add NFS 3210 as a required course Move NFS 4210 from the required NFS classes to the NFS Elective classes.	<b>138</b>
Nutrition and Food Science, Family and Consumer Sciences Community Education Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add NFS 3210 as a required course Remove NFS 4100 from required courses Replace NFS 3400 with NFS 4260	<b>139</b>
Nutrition and Food Science, Nutrition and Wellness Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add NFS 3210 as a required course Move HLTH 3240 from required to NFS electives	<b>140</b>

TXMD - 1010 - Career Orientation	Summer 2024	New course	An introductory exploration of the field of Textiles, Merchandising, and Design as a profession, encompassing its wide variety of career opportunities with an analysis of interests, aptitudes, proficiency, and education related to success in the fashion industry.	<b>173</b>
TXMD - 3450 - Retail Math	Summer 2024	New course	Prerequisite: TXMD 3170 with a C or better. Retail math applications in relation to fashion planning and buying. Mathematical calculations and real-world scenarios will be utilized to understand profit and loss statements, pricing strategies, inventory levels, buying plans, and assortment planning. Offered once a year.	<b>178</b>
TXMD - 4000 - Senior Professional Development Seminar	Summer 2024	New course	TXMD 1010 with C or better and senior standing. Examines Textiles, Merchandising, and Design professions from a global perspective. Identifies skills for success in developing and managing a career. Includes resume and cover letters, leadership, networking, life/work planning, and ethics and professionalism in the Fashion Industry.	<b>179</b>
TXMD - 4103 - Internship: Textiles, Merchandising, and Design	Summer 2024	New course	Permission of Department. Junior Standing and Minimum GPA 2.0; C or better in all TXMD courses. Experiential learning opportunity to provide students with supervised professional work experience in their major fields. Minimum of 150 hours at internship site plus seminars.	<b>181</b>

TXMD - 4240 - Fashion Show Production	Summer 2024	New course	Junior standing (60 credit hours) and, TXMD 4220 or TXMD 4100 with C or better. An overview of the development, promotion, and production processes involved in creating a fashion show. Emphasis on brand promotion, social media targeting, digital consumer marketing, and fashion modeling for special events. Offered once a year.	<b>183</b>
TXMD - 4303 - International Experience: Fashion and Culture Study Abroad	Summer 2024	New course	Permission of department. This course will consist of travel and exploration throughout various international cities with a focus on the fashion industry from design to presentation. Includes various field trips to prominent fashion districts, fashion schools, and museums.	<b>184</b>
TXMD - 4340 - Fashion Technologies	Summer 2024	New course	TXMD 4200 and TXMD 4220 with a C or better. Advanced garment design and development applications with industry patternmaking and 3D software programs. Concepts covered include pattern grading and marker making, and drafting 2D patterns for 3D virtual prototypes. Offered once a year.	<b>185</b>
Textiles Merchandising and Design, B.S. (candidacy change)	Summer 2024	Change to admission, retention, or progression	This proposal is to terminate the TXMD Candidacy requirement for TXMD majors and minors.	<b>187</b>
Textiles, Merchandising, and Design, B.S. (program change)	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	This proposal is to remove the minor requirement under both the Apparel Design and Fashion Merchandising Concentrations for the Textiles, Merchandising, and Design (TXMD) Program. This is part of a set of broader changes proposed for the TXMD Program as we prepare for accreditation through the Textiles and Apparel Programs Accreditation Commission (TAPAC).	<b>188</b>

## College of Business

### Accounting

Accounting Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Eliminate ACTG 4420 as an elective Students in the Jones College of Business may not use ACTG 3000 or ACTG 4420 as part of the minor.	<b>10</b>
Accounting, B.B.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Remove the reference to Accounting 3100 in the repeat policy verbiage. Change the title "Pathway Exam" to "Intermediate Readiness Exam" and change the verbiage. Revise note under major requirements	<b>11</b>

### Information Systems and Analytics

CYBM - 4970 - Cybersecurity Management Topics	Spring 2024	New Course	Prerequisite: CYBM 3300, junior standing. Topics related to data, application, and operating system security.	<b>43</b>
CYBM - 4995 - Cybersecurity Leadership Seminar	Spring 2024	New Course	CYBM 3300, junior standing. Provides a brief introduction to the strategies and skills needed to effectively lead security teams. Activities will focus on personal skills development and on key factors influencing organizational leadership behavior.	<b>44</b>
Information Systems, B.B.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Any 3000 or 4000 BIA, INFS, CYBM course is an approved elective for the BBA in Information Systems.	<b>103</b>

### Management

Business Administration, B.B.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding Marketing Study Abroad - MKT4840 to the Business Administration Major as one of the options for completing the International criteria.	<b>27</b>
Business Administration, B.B.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Replace MGMT 4200 with LEAD 3010 Add MGMT 4250 to elective options	<b>28</b>

**Marketing**

Professional Selling Certificate	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Moving from two required courses to three required courses and adding three options for the fourth-course elective.	<b>155</b>
----------------------------------	-------------	--	---	------------

**College of Liberal Arts**

Africana Studies, B.A. and B.S.	Summer 2024	Termination of program	Termination of B.A. and B.S. in Africana Studies.	<b>16</b>
---------------------------------	-------------	------------------------	---	-----------

Career Readiness Minor	Summer 2024	New program	The interdisciplinary Career Readiness Minor will supplement the preparation of students from majors across the university through acquisition of knowledge and skills directly related to career readiness as identified by the National Association of Colleges and Employers (NACE).	<b>45</b>
------------------------	-------------	-------------	---	-----------

**Art and Design**

ART - 4500 - Practice-Based Art Education Senior Seminar	Summer 2024	New course	Must have senior standing and permission of instructor to register; Art Education major; ART 2200, 3210, 3220. This course will be offered in the spring semester. Advanced studio art and inquiry methods necessary for teaching creative learning practices to diverse learning populations within the community through seminars, workshops, and supervised field experiences.	<b>9</b>
--	-------------	------------	---	----------

Art Education, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Secondary Education minor no longer required Add ART 4500	<b>20</b>
---------------------	-------------	--	--	-----------

Art Education, Art Education K-12 Teacher Licensure Concentration, B.S.	Summer 2024	New program	This concentration is much needed given the increased demand for licensed art educators in Tennessee and across the United States.	<b>19</b>
---	-------------	-------------	--	-----------

Art, Art History Concentration, B.A. and B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	ART 3940 Art History Methods will become a required rather than elective course in the Art History Concentration.	<b>21</b>
DSGN - 4330 - Graphic Design Internship	Summer 2024	New course	Prerequisite: DSGN 4310 or permission of instructor. This course is designed for advanced BFA Graphic Design students to gain practical experience in a professional setting as an intern. Students find and work with graphic design agencies that have agreed to cooperate in the program and to provide adequate guidance. 150 work hours are required for the semester.	<b>48</b>
Art, Graphic Design Concentration, B.F.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add DSGN 4330 and remove ART 4330 Can be retroactive	<b>22</b>
Motion Illustration Minor	Summer 2024	New program	Designed to establish a solid foundation in illustration in motion.	<b>129</b>
Typographic Motion Minor	Summer 2024	New program	Designed to establish a solid foundation in typographic motion design	<b>189</b>
<b>Communication Studies</b>				
Communication Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	The proposed change would require students to take 6 lower-division credit hours from COMM courses in the True Blue Core, plus 9 elective hours from upper-division COMM courses. COMM 2200 will no longer be excluded as an option to count toward the minor.	<b>46</b>
Communication, Health Communication Concentration, B.A. and B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Move COMM 3110 Social Relationships in Comm to Health Communication Electives. This reduces the Health Communication Concentration core requirements to 9	<b>47</b>

**English**

English, Secondary English Teacher Licensure Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Move ENGL 3510 to newly named Linguistics and Grammar area Change name of category from “Writing, Grammar, and Language” to “Writing and Language” Add ENGL 3450 and ENGL 4270 to renamed European/Global Literature in Translation Add ENGL 3300, ENGL 3760, and ENGL 3770 to the Multicultural Literature category Replace ENGL 4605 with PWR 3000 Remove 3007 as an option and having 3000 as the only introductory course	<b>57</b>
--	-------------	--	--	-----------

Great Books Minor (Interdisciplinary)	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add RS 3070 to existing electives	<b>73</b>
---------------------------------------	-------------	--	-----------------------------------	-----------

**Global Studies and Human Geography**

Geography Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 4290 to the GEOG electives	<b>69</b>
-----------------	-------------	--	-------------------------------------	-----------

Global Studies Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding and removing a large number of classes from the approved list of minor electives.	<b>70</b>
----------------------	-------------	--	--	-----------

Global Studies and Human Geography, Global Studies Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 4290 to the field of study electives Global Governance and Commerce category	<b>71</b>
--	-------------	--	---	-----------

Global Studies and Human Geography, Human Geography Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 4290 to the topical electives	<b>72</b>
---	-------------	--	--	-----------

**History**

History, B.A. and B.S. with teacher licensure	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Updating the majors (with teacher licensure) to include all of our new general education courses that were added to the catalog last year so that they will count as part of both our BA and BS degrees (excluding teacher licensure).	<b>78</b>
---	-------------	--	--	-----------

**Music**

MUEN - 3510 - Steel Band	Summer 2024	New course	The MTSU Steel Band performs new and classic repertoire from the steel band tradition, as well as arrangements by ensemble members and faculty. A final concert showcases the music rehearsed that semester.	<b>122</b>
--------------------------	-------------	------------	--	------------

Music, B.A.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate Change to admission, retention, progression, or graduation policy	Change requirements: Four credit hours to be taken from: *MUAP Private Instruction (2000 Level) *Class Piano III (may not be repeated) *Class Piano IV (may not be repeated) *Class Voice I (may not be repeated) *Class Guitar I (may not be repeated)	<b>130</b>
-------------	-------------	---	---	------------

Music, Instrumental Music Education Concentration, B.M.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	The Private Instruction requirement of the concentration will be changed to: 4 credits in MUAP 2350 - 2999 AND 4 credits in MUAP 4350 - 4799	<b>131</b>
---	-------------	--	---	------------

Music, Music Industry Concentration, B.M.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	The Private Instruction requirement of the concentration will be changed to: 4 credits in MUAP 2350 - 2999 AND 4 credits in MUAP 4350 - 4799	<b>132</b>
---	-------------	--	---	------------

Music, Theory-Composition Concentration, B.M.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	The Private Instruction requirement of the concentration will be changed to: 4 credits in MUAP 2350 - 2999 AND 4 credits in MUAP 4350 - 4799	<b>133</b>
Music, Vocal/General Music Education Concentration, B.M.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	The Private Instruction requirement of the concentration will be changed to: 4 credits in MUAP 2350 - 2999 AND 4 credits in MUAP 4350 - 4799	<b>134</b>
<b>Philosophy and Religious Studies</b>				
RS - 3080 - Mystical Traditions	Summer 2024	New course	A survey of mystical discourses, practices, communities, and institutions in Eastern, Western, and Indigenous religious traditions.	<b>165</b>
RS - 4150 - Religion and Nationalism	Summer 2024	New course	This course inquires about the shared history and the confluences of Religion and Nationalism in their different manifestations from early modern times to the day.	<b>166</b>
RS - 4160 - Religious Biographies	Summer 2024	New course	A study of formations of religious traditions through biographic formations of figures known as founders, revivers, reformers, or transgressors from various religious traditions.	<b>167</b>
Religious Studies, B.A. and B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add newly proposed courses to the Religious Studies major: RS 3080, RS 4150, RS 4160	<b>169</b>

### Political Science and International Relations

PS - 4650 - Totalitarianism	Summer 2024	New course	Prerequisites: PS 1005, PS 1010, PS 1015, or permission of instructor. Examination of totalitarianism as a non-democratic system, movement, and body of ideas concerning human nature, reason, and power. Includes readings in communism, fascism, and dissidents, such as Lenin, Mussolini, Schmitt, Solzhenitsyn, Orwell, Arendt, Havel, and Hoffer.	<b>148</b>
PS - 4660 - Constitutional Interpretation	Summer 2024	New course	Prerequisite: PS 1005, PS 1015 or permission of instructor. Examines rival approaches to interpreting the U.S. Constitution, including formalism, realism, originalism, structuralism, pragmatism, and critical theory. Looks at how text, precedent, and politics shape the law and how issues of race and gender challenge traditional models.	<b>149</b>
Political Science Pre-Law Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding new PS courses PS 4650 and PS 4660 to the Prelaw electives	<b>151</b>
Political Science, Pre-Law Concentration, B.A. and B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding new PS courses PS 4650 and PS 4660 to the Prelaw electives	<b>152</b>
Political Science, Public Policy and Management Concentration, B.A. and B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 4290 as an elective in the Public Management category	<b>153</b>
African Studies Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 3470 to electives Change wording department to discipline	<b>15</b>

Political and Social Thought Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Adding new PS course (PS 4650 ) to the minor elective options	<b>154</b>
Public Policy and Management Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add GEOG 4290 as an elective in the minor	<b>157</b>
Urban Studies (Interdisciplinary Minor)	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Updated the course offerings to ensure that students have more options. We wanted to include a broader spectrum of classes so that students can focus in areas of urban studies that they are interested in.	<b>190</b>
<b>World Languages, Literatures, and Cultures</b>				
Humanities Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add HUM 2130 and up to 6 hours (1000:4999) of any language prefix courses (German, French, Spanish, Japanese, Arabic, Italian, Portuguese, Chinese) to the slate of electives that count for the Humanities minor; we request that this course be made retroactive to all valid catalogs.	<b>80</b>
<b>College of Media and Entertainment</b>				
<b>Journalism and Strategic Media</b>				
Journalism, Advertising-Public Relations Concentration (Advertising), B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Add ADV 3080 Advertising Ethics as a required course for the concentration (make a retroactive option to JOUR 4850 Ethics in Mass Communication)	<b>107</b>
Journalism, Media Design Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Change the name of the Visual Communication concentration back to Media Design	<b>108</b>
Journalism, Media Studies Concentration, B.S. (Instructional Delivery)	Summer 2024	Amend instructional delivery mode	Add fully online option to the concentration	<b>109</b>

Journalism, Social Justice Journalism, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Move JOUR 3430 and JOUR 3240 to professional electives Updates the names of courses to reflect changes Add JOUR 4510 and JOUR 4820 Add additional electives Expand the list of choices for minors	<b>110</b>
Journalism, Visual Communication Concentration, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Replacing ANIM/VFP 2040 with MODE 3040	<b>111</b>
<b>Media Arts</b>				
IAM - 4100 - Professional Practice in Interactive Media	Summer 2024	New course	Prerequisite: Junior standing. Students will develop a professional presence for themselves, including print and online materials, get involved in the professional community, and create articles that demonstrate their knowledge and skills and which represent their professional aspirations.	<b>81</b>
Interactive Media, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Remove 8 courses and auxiliary business requirement Add 4 new courses Add new major guided electives Modify major general electives; remove IAM 3560	<b>104</b>
Animation Minor	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Making it so that the minor does not have any hidden prerequisites, so that any major can take the minor. Removing the Motion Graphics I course option as it will be a part of a new minor and simplify choose one as ANIM 1350 is prereq for 2300 and 2350	<b>17</b>
Animation, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Replacing ANIM/VFP 2040, 3320, 4040 with MODE 3040, 3320, and 4040	<b>18</b>

Media Management, B.S.	Summer 2024	Change to curriculum of existing major (including concentrations), minor, or certificate	Remove the requirement to take EMC 3001 and EMC 4001 for Media Management NOTE: Major hours become 46.	<b>127</b>
