The Learning and Leadership Development (LLD) division of DOHR – in partnership with the Naifeh Center for Effective Leadership – is pleased to announce the launch of a *new* enterprise-wide leadership development program in 2022: the **Tennessee Government Professionals Institute (TGPI)**. TGPI is being offered exclusively for those in the “Individual Contributor” role who are considered high-performing, subject matter experts in their field and who do not have any direct reports.

Like its sister institutes – the Tennessee Government Executive Institute (TGEI) and the Tennessee Government Management Institute (TGMI) – TGPI will be held over two (2), one-week sessions at UT Knoxville (**February 7-11, 2022**) and UT Martin (**April 25-29, 2022**). Graduation will be in Nashville on **May 23, 2022**. The State considers this an investment in developing a high performing, professional workforce.

Some of the competencies that will be mastered in this program are *Peer Relationships, Influence, Conflict Resolution, Integrity and Trust*, and an opportunity to participate in a *DiSC*° personal assessment workshop.
