Real Estate Company Needing Part Time Account Help

- $14 an hour for a project of approximately 30 to 40 hours of work that can be completed on a flexible schedule over the next month or two.
- Needing assistance to input transactions into quick books and categorize correctly between different renovation jobs.
- Work on previous Excel spreadsheets to convert to quick books, and help to clear any errors and finalize renovation job profit numbers.
- Second Real Estate Brokerage business needing help inputting transactions and expenses into quick books.
- Great way to get paid real world experience, and will provide letter of recommendation for satisfactory work completed!
