Staff Accountant Needed

Full Time: 40 hours a week. May increase during tax season.

Education: Bachelor’s degree in accounting. Minor in computer science is also ideal.

Seeking a highly motivated and productive individual to work in an accounting/tax office. Knowledge of general accounting principles and procedures is a must. Ability to meet deadlines with efficiency and attention to detail.

Please submit resume to CPAknows@sherrodcpa.com

Experience would be great but is not required.

Pay will be determined by a combination of education/experience and will be discussed upon interview.
