

TENNESSEE ALLIED HEALTH & HEALTH SCIENCES PROGRAMS

2011-2012 Directory

Developing Tomorrow's Leaders in Allied Health

FORWARD

This directory is being provided to you by the Adams Chair of Excellence in Health Care Services and the Center for Health and Human Services at Middle Tennessee State University. Please submit changes or corrections to Jeannie Paul, Executive Assistant, Adams Chair of Excellence in Health Care Services, for future inclusion in the directory.

Allied Health programs in some institutions may be housed in different academic units. These programs will be listed on the same page but in a separate paragraph under the school's name. We have attempted to include all state and not-for-profit schools offering Allied Health Programs.
