However, if you wish to not disclose your number, you may be unable to receive several of the services previously mentioned. Individuals who do not disclose their social security numbers will have a unique identifier number assigned to them by the University.

I understand that if accepted as a student, there are certain **performance tests I will be required to take** during my academic career and that it is a requirement of admission that **I agree to take any tests deemed necessary by MTSU**. In those instances where tests are administered by an external entity, I hereby agree for the results of such tests to be released to MTSU. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. I also understand that if I am under 21 years of age and required by institutional policy to complete the placement tests, my scores on these tests and course placement may be reported to my high school for research purposes.
