- June 5, 2017 Regular Session Board Meeting
Call to Order

The Middle Tennessee State University Board of Trustees met in regular session on Monday, June 5, 2017. Chairman Stephen Smith called the meeting to order at 2:00 p.m. (CDT) and requested retired Lt. Gen. Keith Huber to lead the Pledge of Allegiance.

Roll Call

Board Secretary Heidi Zimmerman called the roll. Present were: W. Andrew “Andy” Adams, J.B. Baker, Pete DeLay, Darrell Freeman, Sr., Joey Jacobs, Tony Johnston, Stephen Smith, Lindsey Weaver and Pamela Wright. A quorum was declared. Trustee Chris Karbowiak was unable to attend.

Opening Remarks

Chairman Smith welcomed all those present, stating that a great deal of work has been done since the prior Board meeting. He stated that he met with various administrators and faculty on campus during that time in addition to weekly meetings with the President. He then asked Dr. Sidney A. McPhee, President, to provide opening remarks. Dr. McPhee also welcomed those attending the meeting to the MTSU campus and recognized several individuals in the audience including Rep. Bryan Terry from the 48th District, and former Rep. John Hood.

Approval of Minutes

The first agenda item was the approval of the minutes from the April 10, 2017, Board meeting. Copies of the minutes were provided to all Board members prior to the meeting.
Trustee DeLay made the motion to approve the minutes; Trustee Freeman seconded the motion. The motion to approve the minutes of the April 10, 2017 Board meeting carried by unanimous voice vote. A copy of these minutes is attached as Appendix 1.

Adoption of Board Committee Minutes and Approval of Committee Actions

**Academic Affairs, Student Life and Athletics Committee.** Committee Chair Pam Wright gave the report from the May 15, 2017 regular session meeting of the Academic Affairs, Student Life and Athletics Committee at which items approved by the Committee, as stated in the meeting minutes, included university policies, faculty candidates for tenure, faculty candidates for promotion and, a new degree program (B.S. in Interactive Media) as contained in the Committee minutes. The minutes and materials are found in Appendix 2. Trustee Wright moved for approval; the motion was seconded by Trustee Freeman. The motion carried by unanimous voice vote.

**Audit and Compliance Committee.** In the absence of Committee Chair Chris Karbowiak, Trustee Adams gave the report of the Audit and Compliance Committee which met in regular session on May 17, 2017. As provided in the meeting minutes, the Committee approved the Audit Charter for the Office of Audit and Consulting Services; the 2018 Audit Plan; and, university policies. The minutes and materials are found in Appendix 3. Trustee Adams moved for approval; Trustee DeLay provided the second. The motion carried by unanimous voice vote.

**Finance and Personnel Committee.** The Finance and Personnel Committee met in regular session on three occasions: April 24, May 9, and May 22, 2017. Trustee Jacobs gave the report indicating items approved by the Committee, as stated in the minutes of the meetings, which include university policies, the estimated budget for 2016-17, proposed budget for 2017-18, a 3.5% increase in in-state maintenance fees and out-of-state tuition for undergraduate and graduate courses for 2017-18, mandatory and non-mandatory fees for 2017-18, housing rates for 2017-18, renewal of Dr. Sam Ingram’s President Emeritus contract for 2017-18, a salary increase for the Chief Audit Executive, revision in the current compensation plan, and a
3% across-the-board salary increase with a $1,000 minimum payment for all full-time and part-time regular employees effective July 1, 2017. The minutes and materials are found in Appendix 4. Trustee Jacobs moved for approval; Trustee Wright seconded the motion. The motion carried by unanimous voice vote.

President’s Report

Chairman Smith called on Dr. McPhee to give his President’s Report. Dr. McPhee began his report by reading a Welcome Statement adopted unanimously by the Faculty Senate. The Statement is included as Appendix 5. Dr. McPhee then recognized outgoing Faculty Senate president, Dr. Mary Martin, and incoming Faculty Senate president, Dr. Joey Gray, both of whom were in attendance.

Dr. McPhee updated the Board on fall enrollment at MTSU, noting that excellent progress is being made in attracting more high ability students for the freshman class entering in Fall 2017. Guaranteed scholarships are offered to freshman with an ACT score of 25 and a GPA of 3.5; and, to transfer students with a transfer GPA of 3.0 and completion of between 45 to 105 transfer hours. The numbers for both freshmen and transfers show increases in scholarships offered and scholarships accepted as compared to this time last year. This presents the potential for these freshmen and transfers to be the best prepared students ever admitted to MTSU. Additionally, the percentages are up for both fall 2017 applications and admits. Dr. McPhee recognized Dr. Deb Sells, Vice President for Student Affairs and Vice Provost for Enrollment Management, and the university recruiters for their outstanding work; and, the deans and faculty for their ongoing outreach efforts to prospective students. Dr. McPhee reminded the trustees that the True Blue Tours will be making six (6) recruiting stops this year, beginning in the next couple months.

Dr. McPhee next addressed the recent increase in violent crimes and gun-related incidents at apartment complexes near campus. University leadership, along with City of Murfreesboro officials and representatives from the MTSU and Murfreesboro police departments, have been meeting and have developed a strategy to address the situation. Dr.
McPhee stressed that these incidents are not occurring on campus and are not random in nature. Rather, they are connected to illicit drug activities engaged in by individuals who are not currently enrolled students. He stated that the MTSU campus is relatively safe compared to comparable institutions, and that the latest crime statistics for on-campus incidents from the TBI show a decrease between 2015 and 2016 in several criminal offense categories. Dr. McPhee indicated that efforts to make the campus safe have been ongoing, including installation of interior and exterior surveillance cameras throughout campus. By fall 2017, there will be a total of 591 such cameras, all connected to one system, allowing for one location to provide video access to any area on campus. Additional actions include installation of new emergency call boxes and lighting, the hiring of more police officers and an increased police presence on campus, and a public awareness campaign on student and employee safety. Finally, Dr. McPhee responded to assertions made on social media that MTSU has lowered admissions standards to achieve growth, thus enrolling individuals who may be prone to violence. To the contrary, he stressed that admissions standards were raised in 2004 and 2008 resulting in one of the highest standards among public universities in the state. Consequently, the GPA and ACT scores of incoming freshmen have increased over the years.

Dr. McPhee congratulated Electronic Media Communication Production students who were awarded the Outstanding Live Game Production Award at the 2017 College Sports and Media Awards in Atlanta. This marks the second time the national award has been won by our students.

Dr. McPhee then asked Dr. Rick Sluder, Vice Provost for Student Success and Dean of the University College, to make a presentation on the Quest for Student Success, put in place in 2013 to increase retention and graduation rates. Dr. Sluder provided details about integrating predictive analytics into student advising, course redesign, learner support initiatives, and establishing performance metrics and a communication plan for their dissemination. These efforts have been successful in increasing these rates, and the Quest for Student Success has served as a national model for retention and graduation. Chairman Smith remarked on the institution’s commitment to helping its students. A discussion about the Scholar’s Academy then took place, with Dr. Sluder reiterating how much growth the program has experienced. An
investment in the Academy of $200,000 is seeing great returns in a retention rate higher than the general population. Each student attending the program pays $45 to participate. Trustee Freeman inquired about the ratio of advisor to students, currently 1 to 260, asking if hiring additional advisors would further help increase retention and graduation rates. Dr. Sluder responded that he believes the ratio is where it needs to be. The graduation rates already reflect the impact of having added additional advisors. Trustee Freeman also complimented Dr. Sluder and his staff on the work being done to assist at-risk students access higher education. Dr. Sluder’s presentation is included as Appendix 6.

Lastly, Dr. McPhee invited the trustees to experience the Great Tennessee Solar Eclipse on August 21 on campus.

Adjournment of the Meeting

No further business was brought before the Board and Chairman Smith adjourned the meeting at 3:10 p.m. CDT.

Respectfully submitted,

Heidi M. Zimmerman, Board Secretary

- Capital Outlay Project Submittal #1
- Capital Maintenance Projects Submittal
- Severance of Capital Project Management Services from TBR
- Permanent Appointment of the University Provost
- Capital Outlay Project Submittal #2
BACKGROUND INFORMATION:

The MTSU 2008 and 2016 Master Plans envisioned the Academic Classroom Building as a priority project; the State Building Commission approved the master plans in February 2008 and August 2016, respectively.

The project was accepted as a TBR priority outlay project in June 2012, was designated a #3 TBR priority on the 2016 capital list and placed in line to receive full project funding FY2017-18. As a result, MTSU received SBC approval in June 2016 for full planning, and use of local match funding to complete the project design.

Bauer Askew, PLLC was appointed by the State Building Commission (SBC) as the designer for the project, and Turner Construction Company was approved as the Construction Manager/General Contractor (CM/GC) for the project. The designers have completed Schematic Design Phase.

The following project DB70 and support materials are submitted for your review and approval.

BACKGROUND INFORMATION:

The Board of Trustees is charged with approving the Capital Maintenance project requests for Middle Tennessee State University for FY 2018-19 in conjunction with instructions received from the Tennessee Higher Education Commission (THEC).

This section provides a brief overview of the Capital Maintenance process, the MTSU strategy for developing qualifying projects, and highlights of the FY 2018-19 project requests.

Documentation to be submitted to THEC has also been provided and includes:

- Summary of Capital Maintenance potential project requests for five years, FY 2018-19 thru FY 2022-23

- Documentation for seven (7) capital maintenance projects for FY 2018-19 totaling $8,170,000
Capital Maintenance

Definition: *Major non-routine repairs and replacements for E&G space unrelated to new construction*, for

- **Repair** to restore a facility or infrastructure to its former, better state without a change in use
- **Replacement** of exhausted or damaged utility systems, roofs, exterior fencing and lighting, infrastructure, and paving
- **Removal** of hazards such as asbestos encapsulation or abatement
- **Alteration** of safety or accessibility features, to rectify code deficiencies
- **Modernization** or **Update** of obsolete building systems, for continuation of educational program
- **Corrections** to bring buildings or systems into compliance with newer codes or standards

Out-year portions of partially funded projects will not be requested unless the institution submits a request. **Because maintenance needs can change much in a year, a complete new list is produced each year.**
Annual Capital Maintenance Target Funding

Annual Capital Maintenance (ACM) Target Funding based on Sherman-Dergis Formula applied to the campus building inventory:

\[ ACM = \frac{2}{3} \times (Current\ Replacement\ Value) \times (Building\ Age/1275) \]

MTSU E&G Data for FY 2018-19 from THEC Calculation:

- 106 Buildings
- 3,215,930 Gross Square Feet (gsf)
- Total E&G Replacement Value $826,609,640
- **ACM $13,318,429**

Figure A.1.2 Education and General Use Scatter Plot
The FOCUS Act directs THEC to approve or deny a Locally Governed Institution's (LGI) request to assume the capital project management function beginning December 1, 2017. An LGI may desire to assume those duties on that date or a future one. December 1 simply represents the first opportunity to assume those duties. Regardless of the timing, two facets are important:

1. The LGI Board itself, per the FOCUS Act, must officially request to sever from the Tennessee Board of Regents (TBR).

2. The timeframe to assess readiness and capacity, and to allow TBR management sufficient time to plan accordingly, will be approximately four to eight months.

This section highlights the requirements set forth by THEC for obtaining approval for severance. The University is recommending a severance date of July 1, 2018 for your consideration. This date would provide the necessary time required for assessing readiness and capacity, as well as provide the new process to being with the start of a new fiscal year.
Capital Project Management

THEC criteria to assume capital project management:

1) Organizational structure:
   SBC representative
   Land and Lease Coordinator
   Budget Coordinator
   Fiscal approval and paying invoices, and
   Physical Facilities Inventory and Survey

2) Single source of information related to capital project management for the University
3) Information regarding University’s facilities website to provide access to:

- Capital Budget
- Designer’s Manual
- Project Tracking Information
- Project Designer Solicitation – Letter of Interest and RFQ processes
- Project Bid List for Contractors, and
- Lease RFIs and RFPs
4) Plan for access to architects, engineers and specialty consultants

5) Data management software in place that replicates TBR’s PITS, Physical Facilities Inventory and Survey (PFIS), and lease tracking
Accounting – Pay Bills, manage all accounting services related to capital projects

Project Information Tracking “PITS”: Track approvals, funding, contracts, schedules, budgets, project status
MEETING: September Quarterly Board Meeting

SUBJECT: Permanent Appointment of the University Provost

DATE: September 12, 2017

BACKGROUND INFORMATION:

Policy 808 – Compensation Reporting and Approvals – requires the appointment and salary recommendation of Vice Presidents or other executives reporting directly to the President be approved by the Board of Trustees.

The attached recommendation to permanently appoint Dr. Mark Byrnes, Interim University Provost, as well as the salary request included, falls under this approval requirement and is therefore being presented to the Finance and Personnel Committee.

To:  Mr. Steve Smith, Chairman, and Middle Tennessee State University Board of Trustees  
Mr. Joey Jacobs, Committee Chairman of the Finance and Personnel Committee

From:  Sidney A. McPhee  
President

Subject:  Permanent Appointment of the University Provost

Date:  August 16, 2017

I wish to recommend to the Board the appointment of Dr. Mark Byrnes as the permanent University Provost at Middle Tennessee State University.

Dr. Byrnes has served as the interim University Provost since April 2016, and has become an invaluable member of the executive team at MTSU. Prior to his interim appointment, Mark served nearly 30 years in the higher education, beginning his work in the classroom and progressing as a department chairman, associate dean, dean, and now interim provost. In his interim capacity, he has been instrumental in leading the academic departments including the hiring of faculty and academic administrators, ensuring the quality of our academic programs and overseeing the addition of new programs, managing the fiscal resources allocated to the Division of the Provost; as well as providing support for the offices of student success, international affairs, and institutional effectiveness. Mark is a seasoned academician and administrator and has proven himself to be critical to the University and its stability and momentum.

Dr. Mark Byrnes is a Middle Tennessee native and is well respected in this community. Dr. Byrnes was elected and served two terms on the Rutherford County Board of Education. During that time, he served as chairman for four years and vice chairman for three. He has also served as president of the Tennessee Political Science Association and of the MTSU chapters of the American Association of University Professors and the Honor Society of Phi Kappa Phi. In 1983, Mark graduated from Middle Tennessee State University with a Bachelor of Science in political science. He also holds an M.A. and Ph.D. in political science from Vanderbilt University as well as a diploma in International and Comparative Politics from the London School of Economics.

The direct appointment of Dr. Byrnes to permanent provost is essential at this time to assure continuity and momentum as the University moves forward in our efforts to increase research productivity and graduate enrollment, strengthen online and distance education courses, expand MT Engage and further develop new undergraduate programs in high demand areas. Dr. Byrnes has a proven record of success with more than 26 years of teaching, research and leadership in higher education. He is the right chief academic leader at this time for MTSU. It is for these reasons that I recommend a direct appointment of Dr. Mark Byrnes as University Provost with an annual salary of $291,000.

If you have any questions or concerns please let me know.

c:  Dr. Marian Wilson, Assistant to the President for Institutional Equity and Compliance

PROFESSIONAL EXPERIENCE

Interim University Provost, Middle Tennessee State University, May 2016-present

- Leading the Division of Academic Affairs, which serves a study body of approximately 22,000 students (thirty-eight departments and ten colleges offering more than 240 programs of study; 7 undergraduate degrees, 15 master’s degrees, and 2 doctoral degrees; around 1,000 full-time faculty members and 400 staff members; provost’s office staff of 17; annual budget of $140 million)

- New initiatives include overseeing the Division during the university’s transition in governance from a state-wide board to a local board, leading revision of all academic policies, streamlining the process for hiring faculty members, making sure that all classroom doors are lockable, and piloting a program to grant access to the New York Times to all students and faculty

Dean, College of Liberal Arts, Middle Tennessee State University, July 2011-May 2016

- Led a large and complex college (ten academic departments offering fifty undergraduate majors, six master’s degrees, and two Ph.D.s, and generating one-third of the university’s student credit hours; more than thirty interdisciplinary majors and minors; ten centers and programs; a dean’s office staff of nineteen; 315 full-time faculty members and numerous adjunct instructors; approximately 2,900 majors and 650 degrees granted annually; annual budget of $30 million)

- New initiatives included creating an external advisory board to promote the interests of the college, establishing new graduation “checkout” procedures to facilitate students’ timely graduation, designing new position of “graduation coach,” creating a Master of Arts in Liberal Arts degree, launching efforts to improve student retention, reactivating the Pi Gamma Mu social science honor society, instituting regular chairs’ meetings, and managing the college with reduced resources
Interim dean, College of Liberal Arts, Middle Tennessee State University, July 2010-June 2011

Acting dean, College of Liberal Arts, Middle Tennessee State University, January 2010-June 2010

- Performed the duties of dean
- Guided the college through the discussion of a major university reorganization proposal; formed and led the college committee which produced a report on the ramifications of the proposal and crafted the college’s response

Associate dean, College of Liberal Arts, Middle Tennessee State University, August 2006-December 2009

- Oversaw curriculum matters, helped develop new academic programs, dealt with student complaints, substituted for the dean in his absence, assisted in budgetary and personnel decisions, coordinated the university’s legislative internship program, pursued a range of special projects (including the implementation of Scholars Day and the American Democracy Project), and performed other duties as assigned

BACKGROUND INFORMATION:

With the passage of the FOCUS Act in Spring 2016, each of the six Locally Governed Institutions (LGI), along with the TBR and UT systems, will submit funding requests for capital outlay projects directly to the Tennessee Higher Education Commission (THEC). Projects should be ranked in priority order by the institution/system when submitted. Campus rankings are then taken into account by THEC in the overall ranking process.

The Financial and Personnel Committee approved the University’s recommendation of submitting the Academic Classroom Building (ACB) as the #1 priority outlay project for FY 2018-19 funding at its August 15, 2017 meeting. The ACB was envisioned as a priority project in both the 2008 and 2016 Master Plans, which were approved by the State Building Commission (SBC) in February 2008 and August 2016, respectively. The project was originally accepted as a TBR priority outlay project in June 2012 and placed in line to receive full project funding in FY 2017-18. As a result, MTSU received SBC approval in June 2016 for full planning and use of local match funding to complete the project design.

The Mechatronics Engineering Building project is in the early pre-planning phase and is being recommended for submission as the #2 priority outlay project to THEC for funding in FY 2018-19. This project is in the 2016 Master Plan, as part of the Engineering Technology (ET) facility, with a proposed location that is in close proximity to the Science Corridor. Additional details of this project are included in the attached materials.

The attached project DB70 and support materials are submitted for your review, with a recommendation to submit the project to THEC for FY 2018-19 capital outlay funding.

Project (DB70 Full 04.2017).xlsx
Proposed Capital Outlay Project
MTSU Mechatronics Engineering
08.30.2017

Project Summary

Design and construct new facilities for the Mechatronics Engineering program. The project scope includes new labs, classrooms, offices and support spaces, demolition of Abernathy and Ezell buildings, and relocation of two recording studios and faculty offices currently in Ezell. The project requires an addition to the Satellite Chiller Plant and a 1500 ton chiller.

Description

Area – Approximately 48,000 net s.f. / 92,000 gross s.f.
Location – Designated site shown in 2016 Master Plan, corner of Alumni Drive and Blue Raider Drive at the site of Abernathy and Ezell buildings
Status - Preplanning

Programs Served

- Major – Mechatronics, 237 Full Time Undergraduates, 28 Part Time Undergraduate = 265 TOTAL
- Major - Engineering Technology, 328 Full Time Undergraduates, 11 Full Time Graduate, 77 Part Time Undergraduate, 5 Part Time Graduate = 421 TOTAL

Concentrations:
- Computer engineering technology
- Electro-Mechanical Technology
- Engineering systems technology
- Mechanical Engineering Technology
- Pre-Engineering

Master Plan

The 2016 Master Plan located the program in close proximity in anticipation of developing a “Science Corridor of Innovation” neighborhood on the south edge of the academic core. The plan accommodates land area for new facilities for Math and Computer Science, Engineering Technology and Concrete and Construction Management.
Migration Spaces

The program is currently located in Voorhies, in the Midgett Building, and also two Mechatronics Labs and 6 offices are in the newly renovated Davis Science building. There are multiple offices and two recording studios in Ezell Hall. Ezell and Abernathy are planned for demolition prior to the start of construction to prepare for the site, and the recording studios are planned to be relocated to Jones Hall as part of the project.

Total Project Cost

$45,000,000 State Funds  
$ 9,000,000 Gift Funds  
$54,000,000 Total Project Cost

Project Planning

- Perkins+Will – 2016 Master Plan  
- Perkins+Will – Preplanning services for review of program assumptions, costs per space type based on similar University Engineering Technology buildings

Audit and Compliance Committee Meeting
September 12, 2017
September Quarterly Board Meeting

Audit & Compliance Committee Meeting

September 12, 2017

Committee Chairman Christine Karbowiak

Voice Vote

Approval

- Revised Audit Charter for Audit and Compliance Committee
- Public Session – Risk Assessment Report Submittal
BACKGROUND INFORMATION:

The Audit Charter for the Audit and Compliance Committee requires approval from the Comptroller of the Treasury. After submission of the original Charter, the Comptroller directed that two sections of the Charter be revised in order to comply with the Comptroller’s Guidelines for Audit Committee Charters.

Section V. Independence was revised to specifically state that members of the Audit and Compliance Committee “shall be free of any interests, in fact or in appearance, that are in conflict with their duties as members of the Audit and Compliance Committee” instead of referencing compliance with the Board Bylaws and Code of Ethics policy.

Section VI. Membership was revised to specifically state that “the chair of the Audit and Compliance Committee shall be appointed by the Board Chair and serve a one (1) year term,” and “Appointments of the Audit and Compliance Committee members and its chair shall be approved by the Board.”

The Audit Charter was also revised to reflect the change in title of the Director of Audit and Consulting Services to Chief Audit Executive.

The revised Audit Charter is recommended for approval.
Middle Tennessee State University
Audit and Compliance Committee Charter

I. Purpose

The Audit and Compliance Committee, a standing committee of the Middle Tennessee State University Board of Trustees (Board), will assist the Board in exercising oversight of the University’s financial and accounting practices, internal controls, risk assessments and standards of conduct.

II. Mission

The Audit and Compliance Committee will provide oversight of the following areas:

A. Audit engagements with the Tennessee Comptroller’s Office, including the integrity of financial statements and compliance with legal and regulatory requirements,
B. Audit engagements with external auditors,
C. Internal Audit activities,
D. Internal Audit administration,
E. Internal controls and compliance with laws, regulations, and other requirements,
F. Risk and control assessments,
G. Fraud, waste, and abuse prevention, detection, and reporting, and
H. Other areas as directed by the Board.

III. Authority

The Audit and Compliance Committee has the authority to authorize or facilitate audits or investigations into any matter within its scope of responsibility. The Committee is authorized to:

A. Seek any information it requires from employees or external parties. Employees are directed to cooperate with the Committee’s requests,
B. Meet with Board and institutional officials, external and internal auditors, legal counsel, or others as necessary, and
C. Oversee the University’s internal audit function.

IV. Responsibilities

The Audit and Compliance Committee has responsibilities for the following:

A. Tennessee Comptroller’s Office Audits (State Auditors)
   1. Understand the scope and approach used by the State Auditors in conducting their examinations,
   2. Review results of the Comptroller’s examinations of financial statements and any other matters related to the conduct of the audits,
3. Review with management and legal counsel any legal matters (including pending litigation) that may have a material impact on the financial statements, and any material reports or inquiries from regulatory or governmental agencies,
4. Ensure that the Comptroller is notified of any indications of fraud in the manner prescribed by the Comptroller,
5. Resolve any differences between management and the Comptroller’s auditors regarding financial reporting, and
6. Meet, as needed, with the Comptroller’s auditors to discuss any matters that the Audit and Compliance Committee or State Auditors deem appropriate.

B. External Audits

1. Understand the scope and approach used by the external auditors in conducting their examinations,
2. Review results of the external auditors’ examinations and any other matters related to the conduct of the external audits, and
3. Meet, as needed, with the external auditors to discuss any matters that the Audit and Compliance Committee or external auditors deem appropriate.

C. Internal Audit (Audit and Consulting Services)

1. Ensure that the Chief Audit Executive reports directly to the Audit and Compliance Committee and has direct and unrestricted access to the chair of the Audit and Compliance Committee,
2. Review and approve the internal audit charter for the University’s department of Audit and Consulting Services,
3. Review and approve the annual audit plans for the University’s department of Audit and Consulting Services, including management’s request for unplanned audits,
4. Receive and review significant results of internal audits performed,
5. Work with University management and Audit and Consulting Services to assist with the resolution of cooperation issues and to ensure the implementation of audit recommendations,
6. Review the results of the year’s work with the Chief Audit Executive, and
7. Ensure the University’s internal audit function maintains a quality assurance and improvement program, including internal procedures and assessments and a periodic external quality assessment of conformance with the Institute of Internal Auditors’ International Standards for the Professional Practice of Internal Auditing.

D. Internal Audit Administration

1. Ensure the Chief Audit Executive’s administrative reporting relationship to the President is independent.
2. Ensure that Audit and Consulting Services has adequate resources in terms of staff and budget to effectively perform its responsibilities.
3. Review and approve the appointment and compensation of the Chief Audit Executive,
4. Recommend to the Board dismissal of the Chief Audit Executive only for cause
5. Review and approve the compensation and termination of campus internal auditors.

E. Risk, Internal Control and Compliance
   1. Consider the effectiveness of the internal control system and compliance with laws and regulations, including computerized information system controls and security,
   2. Review and evaluate risk assessments performed by institutional management and the Board, and
   3. Inform the Comptroller of the Treasury of the results of risk assessments and controls completed by University management.

F. Fraud
   1. Ensure that the Board and the University have an effective process in place to prevent, detect, and report fraud, waste and abuse.
   2. Facilitate audit and investigative matters, including advising auditors and investigators of any pertinent information received by the Audit and Compliance Committee.

G. Other
   1. Review and assess the adequacy of the Audit and Compliance Committee’s charter every four years or as needed, whichever is earlier, requesting Board approval for any proposed changes.
   2. Ensure there are procedures for the receipt, retention, and treatment of complaints about accounting, internal controls, or auditing matters.
   3. Review the University’s code of conduct and/or policies regarding employee conduct to ensure that they are easy to access, are widely distributed, are easy to understand and implement, include a confidential mechanism for reporting code violations, are enforced, and include a conflict of interest policy.
   4. Review the University’s conflict of interest policy to ensure that the term “conflict of interest” is clearly defined, the policy is comprehensive, annual signoff is required, and potential conflicts are adequately resolved and documented.

V. Independence

The members of the Audit and Compliance Committee shall be free of any interests, in fact or in appearance, that are in conflict with their duties as members of the Audit and Compliance Committee.

VI. Membership

A. Pursuant to TCA 4-35-104, the Audit and Compliance Committee shall have at least three voting members,
B. The Audit and Compliance Committee members shall be appointed by the Board Chair and serve a two (2) year term,
C. The chair of the Audit and Compliance Committee shall be appointed by the Board Chair and serve a one (1) year term,
D. Appointments of the Audit and Compliance Committee members and its chair shall be approved by the Board,
E. The Board Chair shall serve as an ex officio Voting member of the Audit and Compliance Committee,
F. The Audit and Compliance Committee shall include at least one member, the chair of the committee, who shall have accounting and financial management expertise, and
G. The other members of the Audit and Compliance Committee shall be generally knowledgeable in financial, management, and auditing matters.

VII. Meetings

A. The Audit and Compliance Committee shall meet at least quarterly during each calendar year, and may meet more frequently as deemed necessary. Meetings may be requested by the Board Chair, chair of the Audit and Compliance Committee or the Comptroller of the Treasury,
B. The Audit and Compliance Committee may invite Board management, auditors, or others to attend and provide relevant information,
C. Minutes shall be made of all meetings of the Audit and Compliance Committee and provided to the Board Chair, the President of the University and the Secretary to the Board. The minutes shall be maintained as the official record of such meetings,
D. A majority of the voting members of the committee shall constitute a quorum for the transaction of business.
E. All meetings of the Audit and Compliance Committee shall adhere to the Open Meetings Act, Tennessee Code Annotated Title 8, Chapter 44, except that pursuant to TCA Section 4-35-108(b), the Audit and Compliance Committee may hold confidential, nonpublic executive sessions for the sole purpose of discussing the following:
1. Items deemed not subject to public inspection under Tennessee Code Annotated, Sections 10-7-503 and 10-7-504, and all other matters designated as confidential or privileged under state or federal law,
2. Litigation,
3. Audits or investigations, and
4. Matters involving information under Tennessee Code Annotated, Section 4-35-107(a), where the informant has requested anonymity.

BACKGROUND INFORMATION:

Section 9-18-104 of the Financial Integrity Act requires institutions of higher education to prepare and provide a management assessment of risk to the State of Tennessee’s Commissioner of Finance and Administration and to the Comptroller of the Treasury by December 31 annually.

The results of the risk assessment for the Information Technology Division and President’s Office were designated as confidential and discussed in the non-public Executive session of the Audit and Compliance Committee. The Audit and Compliance Committee is responsible for the oversight and monitoring of internal controls, compliance, and risk management functions of the University; therefore, the risk assessment reports are presented to the Committee for approval prior to the reports submission to the State, as required by law.

Executive and Governance Committee Meeting
August 12, 2017
MEETING: September Quarterly Board Meeting

SUBJECT: Executive & Governance Committee Meeting

DATE: September 12, 2017

PRESENTER: Vice Chairman Darrell Freeman

ACTION REQUIRED: Voice Vote

STAFF RECOMMENDATION: Approval

- Board of Trustees Policies
  - Professional Development
  - Selection, Evaluation and Retention of the President
- President’s Salary Package
- Institutional Mission Statement and Strategic Plan
- Delegation of Limited Authority to Board Secretary
BACKGROUND INFORMATION:

Tennessee Code Annotated §§49-8-201(f)(7)(A) and (B)(iii)(C) specify that board of trustees members participate in orientation programs, continuing education and professional development. The Board of Trustees must adopt a policy that facilitates these programs. The proposed policy is intended to comply with this mandate.
Middle Tennessee State University
Board of Trustees Policy
Professional Development

Section 1. The Tennessee Higher Education Commission shall coordinate and administer an orientation training program, as well as an ongoing continuing education program, for governing board members. This training shall include a perspective on higher education that incorporates national experts in higher education governance. This training shall address the roles and responsibilities of governing boards; the legal and ethical responsibilities of trustees; the board’s role in upholding academic standards, intellectual diversity, and academic freedom; budget development; presidential searches and evaluation; the role of higher education in K-12 collaboration; and setting strategic goals. All newly appointed members shall attend orientation seminars within their first year of service.

Section 2. The Middle Tennessee State University Board of Trustees (Board) will additionally provide ongoing professional development for its members as it deems necessary and appropriate.
BACKGROUND INFORMATION:

Tennessee Code Annotated §49-8-203(a)(1)(A) and Section 2.1.2 of the Middle Tennessee State University Board of Trustees Bylaws authorize the Board of Trustees to select, employ and assess the performance of the chief executive officer of the institution, the president.

The policy provides that, as these duties are solely the responsibility of the Board, the Board shall establish the processes to be followed for each of these circumstances.
Section 1. Purpose
The Middle Tennessee State University Board of Trustees (Board) has the authority to select, appoint, retain and assess the performance of the chief executive of the University (president). This policy shall set the general parameters for these processes.

Section 2. Selection of a President
The Board shall establish a selection process and the qualification criteria as it deems appropriate. The selection process should include a mechanism for consultation and input from the campus and the community, and should reflect the University’s commitment to diversity.

Prior to beginning a search for candidates for the office, the Board shall establish the qualification criteria for the position and shall announce the process it will follow for selecting a president.

The selection of the president shall be the sole responsibility of the Board.

In the event of a vacancy in the office of the president, the Executive and Governance Committee shall nominate an interim president to be approved by the Board.

Section 3. Appointment and Retention of the President
The Board may set the terms and conditions of the president’s appointment to include:
1. A contract;
2. Compensation;
3. Conditions related to retention; and,
4. Conditions related to removal from office.

The decision to retain or terminate the appointment of the president shall be the sole responsibility of the Board.

Section 4. Annual Evaluation of the President
The president shall be annually evaluated by the Board based on an evaluation process coordinated by the Board Executive and Governance Committee (Committee). The evaluation period will be July 1 through June 30.

The purposes of the annual evaluation are: (1) to assist the Board in determining whether the president’s performance is effective; (2) to enable the president to enhance his/her performance and leadership; (3) to promote good communication and strong working relations between the president, the Board and the campus community; (4) to enable the president and the Board to set mutually agreeable
goals; and, (5) to inform Board decisions on compensation and other terms of employment for the president.

The president shall prepare a written self-assessment statement (statement) in a format and according to a timetable mutually agreed upon by the president and the Committee. The statement shall include the following:

1. Progress toward meeting goals previously agreed upon by the president and the Board with accompanying data and metrics;
2. Assessment of the overall academic quality of the university, including institutional achievements and accomplishments;
3. Assessment of the financial status of the university;
4. Identification of significant institutional challenges faced over the prior year that impacted progress toward goals with an assessment of continuing or future challenges facing the university;
5. Goals proposed by the president for the upcoming year.

After receipt of the statement, the Chair of the Committee will share the statement with the Board and solicit their written comments. Once this feedback is collected, the Chair will meet with the president to discuss the self-assessment statement and the proposed goals, expectations and associated metrics for the upcoming year, along with the information gathered from the Board. The Chair will prepare an evaluation report to include a written assessment of the president's performance and an aggregate summary of the views of the Board. The evaluation report may include a recommendation concerning the president’s compensation or other terms of employment. A copy of the evaluation report shall be provided to the president.

All job performance evaluations, as that term is defined in T.C.A. §10-7-504(a)(26), shall be confidential and not open for public inspection.

Section 5. Periodic Comprehensive Review
The president shall also be subject to a comprehensive evaluation every five years. When a comprehensive review is performed, it is to be incorporated into the annual review process, with such adjustments to the schedule as may be necessary.

This review may be performed with the assistance of one or more independent consultants to be chosen by the Executive and Governance Committee (Committee). The specific details for a comprehensive review will be determined by the Committee in consultation with the consultant and the president. However, the review will include input from the university administration, faculty, staff and students, as well as, alumni leadership and the community.
BACKGROUND INFORMATION:

An evaluation of the president’s salary has revealed his compensation to be significantly lower when compared to presidents at peer institutions. University staff have made comparisons of the president’s salary to the following groups as shown in the attached materials: (1) other Tennessee public institutions of higher education, (2) peer institutions as used in the current faculty and executive compensation plans, and (3) aspirational peers where institutions have a Carnegie classification of very high research or enrollments greater than 40% of MTSU’s enrollment.

With the President reporting to and being an employee of the Board of Trustees, it is the responsibility of the Board to set the President’s salary. If you will recall, the Board approved a 3% across-the-board pay increase for all other University employees at the June 2017 meeting. The President did not receive this increase as his salary is set separately by the Board.

The President currently receives University-provided housing and automobile, which is consistent with practices of other higher education institutions nationally. Other benefits found common for university presidents include retention bonuses and incentive pay based on a predefined set of criteria. TBR provided university presidents with incentive pay previously but not retention bonuses. The other Locally Governed Institutions (LGI) are in the process of evaluating presidential salary
packages as well, therefore, comparisons among the institutions cannot be made at this time.

The Executive and Governance Committee is being asked to provide a recommendation for the President’s 2017-18 fiscal year salary. The Committee will also discuss having a contract for the President and any additional benefits to be provided to the President, such as a retention bonus, incentive pay, or other benefits, with a recommendation to be brought back to the Committee at a later meeting.

BACKGROUND INFORMATION:

Middle Tennessee State University is a public, state-supported, comprehensive university in the State University and Community College System of Tennessee, which is coordinated by the Tennessee Higher Education Commission (THEC).

The University's mission is revisited, revised, and approved in accordance with the THEC strategic planning cycle.

The cycle drives the institution’s strategic planning processes, the achievement of its longer term goals and its internal institutional effectiveness processes which are directly linked to the University’s mission.

MTSU currently has a clearly defined mission statement approved by the Tennessee Board of Regents March 25, 2011, that is aligned with the THEC Master Plan for Postsecondary Education, 2015-2025 and the THEC Strategic Planning cycle.

As a state university now subject to the authority of the Middle Tennessee State University Board of Trustees (Board), MTSU is required to have a mission statement approved by the Board.
MTSU’s current mission statement is submitted for its review and approval. Future MTSU reviews of the mission will continue to be conducted in alignment with the THEC planning cycle and the requirements of the FOCUS Act.
Middle Tennessee State University

Mission

Middle Tennessee State University is a comprehensive university that embraces its role as the destination of choice for Tennessee undergraduates while expanding its reach nationally and internationally through signature programs and select masters and doctoral programs. The University generates, preserves, and disseminates knowledge and innovation and uses scholarship to enhance teaching and public service. The University is committed to preparing students to thrive in their chosen professions and a changing global society.

A major public institution of higher learning, MTSU is a member of the State University and Community College System of Tennessee.

Approved September 12, 2017, by the Middle Tennessee State University Board of Trustees.

Purpose

To fulfill its mission, Middle Tennessee State University:

- Fosters a student-centered environment conducive to lifelong learning, personal development, and success;
- Offers a broad array of high quality, affordable academic programs grounded in a common core of arts and sciences;
- Enhances access and academic opportunity for a diverse student population, including distance learning and other special services and programs for first generation, non-traditional, high-achieving, and transfer students;
- Challenges students through diverse teaching methods and media including educational technology, experiential learning, undergraduate and graduate research, and co-curricular and extra-curricular activities;
- Recruits exceptional faculty and develops resources to support excellence in instruction, research, creative activity, and public and professional service;
- Develops and sustains academic partnerships, entrepreneurial activities, outreach and public service that support instruction and research and that meet the needs of communities throughout the region; and
- Serves as an emerging center for international study, understanding, and exchange.
Vision

Middle Tennessee State University will be a vibrant hub for educating accomplished students who are civically engaged and globally responsible citizens; a seedbed for research and entrepreneurship; and an engine of cultural and economic development.

Statement of Values

Middle Tennessee State University is committed to developing and nurturing a community devoted to learning, growth and service. Each person who joins or affiliates with the community does so freely and accepts and practices the following core values and expectations:

Honesty and integrity. The notions of personal and academic honesty and integrity are central to the existence of the MTSU community. All members of the community will strive to achieve and maintain the highest standards of academic achievement in the classroom and personal and social responsibility on- and off-campus.

Respect for Diversity. The MTSU community is composed of individuals, representing different races, ethnicities, sexual orientations, cultures, and ways of thinking. We respect individual differences and unique perspectives and acknowledge our commonalities.

Engagement in the Community. All members of the community are encouraged to participate in educationally purposeful activities that support and enhance the MTSU experience. Active involvement and personal investment in the classroom and throughout the community are hallmarks of an engaged citizen.

MEETING: September Quarterly Board Meeting

SUBJECT: Delegation of Limited Authority to Board Secretary to Make Technical Changes in Policies and Rules

DATE: September 12, 2017

BACKGROUND INFORMATION:

Policies and rules often need technical revisions, such as correcting typographical errors, changing position titles, updating references or links, etc. By delegating authority to the Board Secretary to make these changes, the Board will not be required to review and approve them prior to the revisions being made.
