Personal Services

Personal services include all compensation to which an individual is entitled for personal services rendered while an employee of the institution. An employee is an "individual who performs services subject to the will and control of an employer both as to what shall be done and how it shall be done. It does not matter that the employer permits the employee considerable discretion and freedom of action, so long as the employer has the legal right to control both the method and the result of the services." (IRS Circular E). Included as personal services are salaries, wages, and other payments for which personal services were or will be required.

61110 Executive & Administrative Salaries (Exempt)
Personal services for employees who primarily have executive and administrative responsibilities and whose positions require recognized professional achievement acquired by formal training or equivalent experience. This classification would be exempt employees under overtime provisions of the Fair Labor Standards Act. Examples would include the Vice Presidents, Deans, Associate Deans, and some Directors depending on pay grade. Each employee must have a unique position number.

61111 Executive & Administrative Salary Recovery
