

What grades do I need?

Since grades and GPAs are considered private information, you will need to schedule an in-person appointment with an advisor to discuss this information. You may request an appointment by two methods:

1. Call 615-898-2764 (or)
2. Requesting an appointment through the PipelineMT Calendar

In order to graduate, your major, minor, best 42 upper-division hours, and Jones core GPAs must be a 2.00 or above.

Calculations of these GPAs are found in your Degree Evaluation.

Students may allow designated persons access to specific academic information otherwise protected under the Family Educational Rights and Privacy Act (FERPA) by completing and signing a **Student Release of Confidential Information** form located at the following link: [PIE Release Form](#)
