STANDARD MEETING TIMES – SUMMER TERMS Beginning Summer 2008, the seven current summer sessions, plus the RODP session, will be replaced with four parts-of-term and one additional part-of-term for RODP. Part-of-term is a smaller segment of the full summer term with defined dates within that term, similar to a session in SIS+. Banner allows us scheduling flexibility and opportunity we did not have in SIS+. Specific meeting dates ranges and individual meeting dates may be scheduled in Banner that could not be scheduled in the legacy system. Because of this new scheduling ability, we are able to offer fewer parts-of-term with greater

flexibility in scheduling courses, especially those that require specific date ranges. Class sections will be searchable by part-of-term on RaiderNet. Please consider part-of-term carefully when changing existing courses or adding new course sections. Times indicated are standard for 3 hour credit courses. Courses offered for more or less than 3 credit hours should begin on a standard meet time. Final exams should be given on the last day of the class, regardless of the part-of-term.

Parts of Term 1 and S1 – Classes are typically scheduled 3 contact hours per day with a total of 750 contact minutes per credit hour.
Parts of Term S2 and S3 – Standard Times 4 Days/Week Adjustments in times can be made for 2 days/week meeting patterns, but sections should still begin on a standard time.
7:30 – 9:50 a.m.
10:10 – 12:30 p.m.
12:50 – 3:10 p.m.
3:30 – 5:50 p.m.
