BAS Curriculum Committee Meeting

February 24, 2014 – Minutes

The meeting was called to order by committee chair, Jessica Carter. The following committee members were present: Joel Miller, Terrence Lee, Lisa Green, Medha Sarkar, Zhifu Yang, Terri Dorris, Ron Henderson, Dennis Mullen, Chong Chen, Jessica Carter, and Bud Fischer (ad hoc).

Dean Fischer was present to welcome the committee and answer any questions the committee had regarding this new college committee. The charges for the curriculum were discussed and the committee chair agreed to review the list of non-substantive and substantive changes to see if there were any conflicts as related to the university curriculum committee handbook.

Curriculum Items:

1. Engineering Technology: Removal of the requirement of taking the GRE for admission to the MTSU Engineering Technology Graduate program for graduates with a minimum GPA of 3.0 of the MTSU Engineering Technology undergraduate program.

After a short period of discussion, the motion was approved.

2. Engineering Technology:
   a. Electromechanical Engineering Technology program requirements
      - delete the following courses: ET 1210 (Metals and Metallurgy), ET 3830 (Statics)
      - add the following courses: ENGR 1210 (Intro to Material Science) and ENGR 2110 (Statics)
   b. Mechanical Engineering Technology program requirements
      - delete the following courses: ET 1210 (Metals and Metallurgy), ET 3830 (Statics), ET 3840 (Dynamics)
      - add the following courses: ENGR 1210 (Intro to Material Science), ENGR 2110 (Statics), and ENGR 2120 (Dynamics)

Both of these proposed curriculum changes were approved by the committee.

3. Future meetings for the Spring 2014 semester were scheduled for March 26 and April 23 from 10:30 – 11:30 am.

Having no further items to discuss, the meeting was adjourned at 11:40 am.

Respectfully submitted,
Jessica Carter, chair
