The meeting was called to order by Jessica Carter. Other committee members present included: Dennis Mullen, Ron Henderson, Zhifu Yang, Chong Chen, Terrence Lee, Lisa Green, Clay Harris, Terry Dorris, Saeed Foroudastan, and Medha Sarkar. The minutes from the September meeting were approved.

3. New proposals
   A. Math
      a. Inactivation of undergraduate courses: Math 2090, 3190, 3400, 4210, & 4220 - Approved
      b. Inactivation of graduate courses: STAT 5130, MATH 6410 & 6610 - Approved
      c. Cross list MATH 3080 Discrete Structures with CSCI 3080 – moved to table this until the next meeting so that pre-requisite issues can be resolved (MATH & CSCI have different pre-requisites for this course in the catalog).
   B. Computer Science
      a. Inactivation of several undergraduate courses – Approved
      b. Inactivate graduate courses: CSCI 5130, 6190, & 6550 - Approved
      c. Cross list CSCI 3080 Discrete Structures with MATH 3080 – see c. above
      d. Change the prerequisite for CSCI 4300 and 4330 from CSCI 3250 to CSCI 3240 or 3250. Approved
      e. Change prerequisites for CSCI 5300, 6250, and 6330 from CSCI 3250 to CSCI 3240 or 3250. Approved
      f. Change in admission to program: change the prerequisite for admission to the M.S. program from MATH 1910 and 2050, and CSCI 1170, 2170, 3080, 3110, 3130, 3160, and 3250 to MATH 1910 and 2050, CSCI 1170, 2170, 3080, 3110, 3130, and 3240. Approved
      g. Non-substantive revision in curriculum: change the minor requirement for the B.S. degree in Computer Science, concentration in Professional Computer Science from required to optional. Approved, no further paperwork is required according to the UCC.
   C. Chemistry
      a. CHEM 3900 – new course proposal. Table this until the next meeting. Committee proposed to consider allowing enrollment in CHEM 3880 multiple times or edit course description to fit more types of projects, not just research.

4. The committee decided to postpone the next meeting (originally scheduled on Nov. 20) until Dec. since proposals approved in November would not be considered until January UCC meeting.

The next meeting will be on Tuesday, Dec. 9 at 8:15 am in the Biology Dept. Conference Room, (SCI #2004).
