The meeting was called to order by committee chair, Jessica Carter at 8:00 am in the Chemistry Dept. Conference room (SCI #3004). The following committee members were present: Lisa Green, Medha Sarkar, Chong Chen, LTC Joel Miller, Zhifu Yang, Clay Harris, Terrence Lee, Ron Henderson, Doug Campbell, Dennis Mullen, and Jessica Carter.

The following new curriculum proposals were reviewed:

A. Aerospace
   a. Course number/title change for AERO 3730 – UAS III - Approved
   b. Update course description for AERO 3710 - Approved
   c. Update course description for AERO 4710 - Approved
   d. Update course description for AERO 3720 - Approved
   e. Inactivation of courses - Approved

B. Geosciences
   a. Inactivate PGEO 4310, GEOL 4170, and PGEO 5310 - Approved

C. Agribusiness & Agriscience
   a. Inactivate ABAS 3700, ABAS 4690, and ABAS 4242 - Approved

D. Engineering Technology
   a. Inactivate several courses (see list) - Approved
   b. Prerequisite change: replace CMT 3190, 3320, and CMT 3180 or CMT 3000 with CMT 3000 or CMT 3180 - Approved
   c. Prerequisite change/minor modification: change prerequisites for ENGR 3510 to ENGR 2130, PHYS 2120, and MATH 3120 (Instead of MATH 3110) - Approved
   d. Course number/title change: ENGR 3550 – Fluid Dynamics and Power and change from LEC to LLB. – Approved with amendment (include # of hours for lecture & laboratory in course description; ex: 2 hr lec/3 hr lab)
   e. Change schedule type of ENGR 2100 from LEC to LLB - Approved with amendment (include # of hours for lecture & laboratory in course description)
   f. Change schedule type of ENGR 3570 from LEC to LLB - Approved with amendment (include # of hours for lecture & laboratory in course description)
   g. Non-substantive revisions: Delete ENGR 3570 and add ENGR 3530 to the Mechatronics Engineering requirements. - Approve
   h. Prerequisite change for CMT 3500: update math pre-req. to MATH 1720, 1730, or 1910 instead of MATH 1710, 1720 or 1730 - Approve
   i. Course description change for ENGR 2130 – Approve with amendment (include # of hours for lecture & laboratory in course description)
j. Proposed new course: ENGR 3530, electronics & instrumentation - Approved with amendment (include # of hours for lecture & laboratory in course description)

The following meeting dates were set for the fall semester:

- Oct. 21, 2014 at 8:15 am in Biology Dept. Conference Room, (SCI #2044)
- Nov. 20, 2014 at 8:15 am in the Chemistry Dept. Conference Room, (SCI #3004)

Having no further business, the meeting was adjourned at 8:45 am.
