

**MILITARY SCIENCE  
(ARMY ROTC)  
Advisor Assignment Policy**

The primary advisor for Military Science is Major Trey Brannom. He is responsible for enrolling students in Army ROTC. Major Brannom will advise the student on what military science classes to take and if applicable, ensure the student is on a glide path toward commissioning as a 2<sup>nd</sup> Lieutenant.

Additionally, each year a group is led by a Cadre member. The Cadre offers substantial counseling and mentorship throughout each semester.
