

Statement of Procedure

All credentials become the property of the University and cannot be forwarded or returned. **Note:** Credentials will be maintained in active files for a 12-month period. After this period, credentials will be destroyed and must be submitted again before an admission decision can be made. MTSU uses social security numbers as personal identifiers for various reasons, including but not limited to the following: receiving and processing federal financial aid, 1098T reporting for the Hope Scholarship tax credit, providing information to state and federal agencies that use social security information for identification or reporting purposes, and maintaining academic, business office, human resources, and admission records. In accordance with the Privacy Act of 1974, you are advised that the disclosure and use of your social security number is voluntary. However, if you wish to not disclose your number, you may be unable to receive several of the services previously mentioned. Individuals who do not disclose their social security numbers will have a unique identifier number assigned to them by the University. I understand that if accepted as a student, there are certain **performance tests I will be required to take** during my academic career and that it is a requirement of admission that **I agree to take any tests deemed necessary by NSCC and MTSU**. In those instances where tests are administered by an external entity, I hereby agree for the results of such tests to be released to NSCC and MTSU. The purpose of this requirement is to comply with the legislature's expressed intent that institutions regularly evaluate and improve instruction at all levels. I also understand that if I am under 21 years of age and required by institutional policy to complete the placement tests, my scores on these tests and course placement may be reported to my high school for research purposes. Annual crime statistics, campus security policies, and procedures are available to all interested persons. If you wish to receive this information, contact Public Safety at (615) 898-2424 or check the Web at police.mtsu.edu/crime_statistics.htm.

I understand that withholding information requested on this application or giving false information may make me ineligible for admission or continuation at NSCC and MTSU. With this in mind, I certify that the above statements are correct.
