DYSLEXIA SUCCESS SERIES C.A.N.

(Contemplate, Advocate, Navigate)

Presented by Natalie Hoover, M.Ed., C.A.L.T. & Nina Adel of Hoover Learning Group

Perhaps you're tired of the frustration you share with your learning-different child after daily homework and study sessions that never seem to get better. There is a way to address this and achieve peace and success in your work together! Join Natalie and Nina to 'learn' your children...and help them 'learn' themselves! This fun, interactive class will offer specific multisensory learning tools for you to take home as well as resources for you to further educate yourselves about and embrace multisensory learning! Come and mingle with other like-minded parents and see that together, we **C.A.N.!**
