If two departments are merged, does that mean the smaller department is eliminated? How does merging departments or changing colleges affect tenure? Can tenured faculty be eliminated?2. Can there be a transition period for those going up for tenure or promotion where they can still be reviewed based on the criteria of previous department and original peer group?3. How does changing from one college to another affect pay structure?4. College of Education??? Structure? TQI?5. How does the move of General education courses from specific areas to the University College affect FTEs and academic control/curriculum content?6. Due to the diverse nature of the colleges, would there be a higher demand for Associate Deans, thereby eliminating cost savings?7. What was the rationale for the changes, specific details?8. Could there be a series of meetings where the proposed college schools/departments/units could meet and discuss opportunities?
