Tennessee Education Lottery Scholarship

TSAC's TELS Policies and Procedures (1640-1-19-.22) states that "credit hours that were repeated shall be included in the postsecondary cumulative grade point average calculation, and are counted towards the limitation on credit hours." The policy allows for a student to have a "one time option to repeat one course and utilize only the higher of the two grades in the calculation of their postsecondary grade point average for purposes of determining continued eligibility for a TELS award."

1. Determine which repeated class you wish to exclude.

You may use a GPA calculator (such as the GPA predictor at <http://www.mtsu.edu/~advising/gpa/predgpa.html>) to estimate your GPA without the excluded class. Remember to use your TELS quality points and quality hours, instead of your MTSU figures. You can find the TELS information on the Tennessee Lottery Info section of WebMT, via PipelineMT.

2. Complete the Repeat Option Request Form.

Read each question carefully before answering. Remember that you will not be able to make changes or withdraw your request after you submit it. You may exercise your Repeat Option *one time only*; use it wisely!

3. Talk with an Academic Support Center advisor.

An academic advisor will counsel you on the potential impact of using the Repeat Option. The advisor cannot guarantee that your TELS GPA will meet requirements after you submit the repeat form; however, he or she will help you choose the best option for increasing your GPA. Please contact the Academic Support Center at 615-898-2339 or at the McFarland Building to schedule an appointment for advising. (*Hint: For the most prompt service, schedule your appointment during one of the following months: February, March, June, July, September, or October!*) Remember to take your completed Repeat Option Request Form for the advisor to sign!

4. Submit the Repeat Option Request Form.

Submit the form to the Records Office by mail, fax, or in person. The Records Office will process your request and will forward your information to the Financial Aid Office. The Financial Aid Office will notify you of the results of your request via your **campus email address**. Please allow 3 to 4 weeks for the processing of your request.

5. Regain Option

If you previously lost TELS eligibility at a bracket, it will be necessary to utilize your Regain Option. You may submit the Regain Option Form or notify Lottery personnel in the Financial Aid Office of your status change. **Please note: If the class submitted on your Repeat Option Request Form was retaken during a semester after you reached a TELS bracket, you must wait until after the next bracket to regain the scholarship.**
