# Summer Financial Aid Information

Listed below is information regarding summer financial aid.

- You must be admitted into a degree-seeking program. Transient students or students attending MTSU for only the summer term are not eligible for federal student aid.
- You must be enrolled for at least half-time status to receive Stafford, PLUS, and Perkins Loans.

Undergraduates: 6 undergraduate hours	*Graduates: 5 graduate hours
---------------------------------------	------------------------------

- \*Graduate students taking 6 undergraduate hours or 3 graduate and 3 undergraduate courses may be eligible for Stafford loans in limited cases. Contact your Financial Aid Counselor.
- Summer aid will be processed before we evaluate Satisfactory Academic Progress (SAP) in May; therefore, **if it is determined that you are not making SAP, your summer aid will be cancelled.** To review the SAP policy, go to <http://financialaid.web.mtsu.edu/sap.htm>.
- If you are a transfer student, your financial aid may not be processed until your academic transcripts have been evaluated.
- Financial aid will be disbursed beginning May 11, 2009. **Refunds will not be available until the student begins attendance in his/her courses.** (Students who are on Financial Aid Probation for the Spring 2009 term will not have their financial aid funds credited for Summer 2009 until Spring grades are posted and eligibility can be confirmed.)
- If you drop a class before receiving a grade of 'W' or your professor(s) report you as 'Never Attended', your aid may be cancelled and you may owe money back to the University.

## Stafford Loans

- Master Promissory Note (MPN): First-time Stafford loan borrowers or borrowers choosing a new lender must complete a MPN before loan disbursements will be sent to MTSU. You may sign the MPN electronically on the lender's Web site.
- First-time loan borrowers must complete an Entrance Interview at [www.mtsu.edu/financialaid](http://www.mtsu.edu/financialaid).
- Students may borrow up to the maximum **yearly** loan amount based on their grade level. To determine remaining Summer eligibility, subtract any loan amount borrowed in the Fall and Spring semesters from the maximum yearly loan eligibility.
- Students receiving other assistance may not qualify for the amount requested.
- A student who is beginning work on a Teacher Certification program or a Graduate who is taking pre-requisites **must** submit a copy of his/her Program of Study or a letter detailing which prerequisite courses are required. See loan limits below.
