The following is a list of sanctions that have been imposed as a direct result of disciplinary action related to student below. Additional questions may be referred to the Office of Judicial Affairs.

1. SUSPENSION - Effective immediately, the Kappa Sigma fraternity is disciplinarily suspended from Middle Tennessee State University for one year. The fraternity is prohibited from conducting any business during the term of the suspension, including, but not limited to, recruitment, social activities, philanthropic activities, athletic activities, chapter meetings, Homecoming events, or any other activity usually conducted as part of the organization. Once the term of the suspension has expired, the fraternity must schedule a meeting with the Office of Judicial Affairs and Mediation Services and Office of Greek Life jointly to discuss the fraternity status upon reentering the university as a student organization. This suspension is a direct result of the Memorandum of Understanding between Middle Tennessee State University and the Kappa Sigma fraternity. The fraternity will be allowed to maintain residence in the on-campus house.

2. HOUSE INSPECTIONS - University officials will conduct biweekly house inspections of the Kappa Sigma fraternity house during the term of the suspension to ensure that university policy is being upheld and to ensure that the house is clean and orderly.
