The following is a list of sanctions that have been imposed as a direct result of disciplinary action related to student below. Additional questions may be referred to the Office of Judicial Affairs.

1. REMOVAL FROM CAMPUS- The TN Beta Chapter of Sigma Alpha Epsilon voluntarily decided to close its doors November 13, 2013. Effective the end of the Fall 2013 semester, the Chapter will no longer be active at MTSU and the on campus house will be vacated. This separation will continue through the Spring semester of 2016. In the summer of 2016, TN Beta may request to return to the University. Returning to campus is not automatic. The university, alumni, and students must all agree that the chapter is ready to return and in a state to productively contribute to campus. Alumni and interested students must formally request permission to return. TN Beta may find it in their best interest to stay removed for longer; however, in 2016 they may consider returning with the approval of the university. If the university does not deem the chapter ready to return then a new review date will be issued.

2. DISCIPLINARY PROBATION- Once the Chapter returns, whether it be in 2016 or at a later date, TN Beta will be on disciplinary probation with the university for one full year. Disciplinary Probation is a serious encumbrance upon the chapter's good standing with the University. Any subsequent violations will be evaluated within the context of their probationary status, and may result in more serious forms of sanctioning, such as suspension or expulsion.

3. SOCIAL RESTRICTION- The Chapter will also be limited to social events while they are on probation. Intramurals, philanthropic activities, and Fraternity & Sorority Life events will not be restricted. However, events that are purely social in nature MUST be approved 30 days in advance by F&S Life and Judicial Affairs.

These sanctions MUST be shared with all members AND all advisors. It is also required that you address the issues we discussed in our meeting with all members. Do not keep this information to yourself. ALL individuals vested in the return of Sigma Alpha Epsilon should be made aware of this decision.
