The purpose of the Interfraternity Council testimonials is to serve as a recruitment tool for the upcoming fall semester. Testimonials will be pushed through social media, as well as CUSTOMS sessions. The goal is to show the impact fraternity has on collegiate men; diversity of our community; and variety of experiences and opportunities provided by Greek life.

Applicants must display proper social media behavior at all times on platforms including, but not limited to: Twitter, Facebook, Instagram and Snapchat. Applicants must also be in good standing with their chapter and the university.

Student orientation assistants that wish to apply will remain unaffiliated in testimonials.
