HAZING COMPLIANCE FORM

I, ____________________________, as a responsible member of the Middle Tennessee State University community do affirm the following:

- Hazing is defined as any intentional or reckless act on or off fraternity or university property of any higher education institution by one (1) student acting alone or with others which is directed against any other student that endangers the mental, emotional, or physical health or safety of that student, or which induces or coerces a student to endanger such student’s mental, emotional, or physical health or safety.
- Also, the Fraternity Executives Association defines hazing as any action taken or situation created whether on or off fraternity premises, to produce mental or physical discomfort, embarrassment, or ridicule.
- A situation does not necessarily have to be considered hazing by the potential perpetrator(s) or the potential victim(s). More specifically, should a potential victim say, “I do not believe I was hazed,” this will not be the sole basis for determining whether hazing occurred.

The list below identifies actions and activities which are explicitly prohibited. This list provides a sampling of activities and by no means does it reflect every possible scenario:

1. Any activity that might reasonably bring physical harm to the individual.
2. Paddling, beating or otherwise permitting members to hit pledges/associates/new members or members. Note: Initiated members participating in these types of activities in which they are also recipients of this type of abuse still constitute hazing.
3. Requiring pledges/associates/new members or members to wear degrading or uncomfortable garments.
