A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

Who influenced you to go through recruitment and join a sorority?

My SOA and roommates really pushed me to go through. I loved my SOA and when I found out she was a part of Greek Life, it immediately made me open up to the idea of joining. My roommates also influenced me because when they signed up, they encouraged me to sign up as well.
