A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

What piece of advice would you give to the women going through recruitment?

Just do it! You hate hearing, "its worth it," but the majority of people that tell you that are right. Just remember to be yourself. No matter who you are, there is going to be a change that accepts you.
