A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

If you could give one piece of advice to women going through recruitment what would it be?

Do not be nervous! As cliché or hard as it sounds, don’t be! Trust me, the ladies inside each organization are just as nervous as you are. But they cannot wait to meet you!
