A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

If you could give one piece of advice to women going through recruitment what would it be?

My one piece of advice to women going through recruitment would be to keep an open mind and give it a chance. Make your own decisions and do not pick a chapter just because everyone else is. Figure out where you want to be in the next few years and then pick the chapter that will push you to get there.
