A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

If you could give one piece of advice to women going through recruitment what would it be?

I came in knowing where I thought I belonged; however, once the recruitment started, my emotions became all mixed up because I realized all of our sororities are filled with amazing women and finding your forever home isn’t as easy as I thought it would be. Just follow your heart and not the rumors you may here.
