A recruitment counselor is a woman who is a member of a sorority at MTSU and has disaffiliated from her chapter in order to facilitate the recruitment experience for potential members. Recruitment counselors are there to answer questions and to provide support, friendship, and personal guidance to women going through the recruitment process.

A recruitment counselor’s primary responsibility is to help potential members have a positive recruitment experience and solve any problems a potential new member might encounter.

*If you could give one piece of advice to women going through recruitment what would it be?*

I would remind the girls going through recruitment to try to have as much fun getting to know each chapter as possible and to try not to stress about recruitment weekend. Recruitment is supposed to be a fun experience and if they have any concerns they can always talk to their recruitment counselor.
