Dr. Elsie Quarterman, Vanderbilt professor emerita, studied and directed scholarly work about the glades for more than 60 years. Her work not only brought worldwide attention to the glades but also informed the public about the need for protection and appreciation of cedar glade areas. Join us as we celebrate Dr. Quarterman’s 100th birthday year with hikes and programs!

**How to find us:**
Cedars of Lebanon State Park is located 31 miles east of Nashville in Wilson County. It is 6 miles south of I-40 on U.S. Highway 231

**All programs will be held rain or shine!**

All events are FREE. Contact the park office for information on camping fees and other recreational opportunities.

Park information, please contact:
Wayne Ingram
328 Cedar Forest Rd.
