"When you're here, you're home"

VOLUME 1, ISSUE 1

FALL 2011

Welcome from the staff of Lyon and Rutledge Hall!

Welcome to MTSU!

It is with great pleasure that I welcome you to the Area 1B family. Our area consists of Lyon and Rutledge Halls. The Lyon Complex, located in the historic section of campus, is home to a diverse group of students from all academic disciplines and includes both honors and non-honors students. Recently renovated, Lyon Complex includes Miss Mary and McHenry Halls and can house 236 students. Rutledge Hall is the most historical residence hall on campus. It is located on the west side of campus. Rutledge is steps from Walnut Grove, Kirksey Old Main Building, Peck Hall and next door to the James Union Building which houses one of the main on-campus cafeterias. Rutledge is now a 24hr customer service desk. Rutledge houses between eighty and ninety-one students.

For your convenience we have live in staff who works to help you transition into life in college. We have strategically placed Resident Assistants (RA) in every building to help you with college issues and who are there to help you succeed. On the professional level we have an Area Coordinator and Resident Director who also lives within the area and oversees the area operations.

GET TO KNOW THE PROFESSIONAL STAFF:

Monique Harmon— I am the Area Coordinator for Lyon and Rutledge Hall. I have my Masters in Public Administration and a Bachelor degree in political science and psychology. I love working with students in every phase of education. I am proud parent of one and a proud member of Sigma Gamma Rho Sorority, Inc.

De'Antwaine Moye— I am the Resident Director for the Lyon Hall Complex. I am a graduating senior majoring in political science with a concentration in pre-law and a minor in business administration. I am extremely involved on campus. I am the President of the Collegiate 100 Black Men mentoring organization on campus. I am a Student Ambassador for MTSU. I am the captain of the mediation team. I pretty much bleed blue and white. I am also an extremely approachable person, so do not hesitate to speak if you see me around campus.

Victoria Head— I am a senior majoring in Community & Public Health. This will be my second year in housing and I am super excited to be a part of such an amazing team. I love my school and I want anyone who comes to stay with us to love MTSU as well. Since I am a Resident Director, I have the unique opportunity to have interactions with residents on a personal level. I can't wait to meet all of the new smiling faces!!! I am looking forward to the next 100 years of memories.

Join Area Government!

Want to be President, Vice President, Treasurer, or Secretary of our area? Then

JOIN AREA GOVERNMENT!

Area Government serves as a voice for students in the residence hall community. Your area government serves as a link between the residential life staff and the residents living in your area. By being involved in your area government, you can be a part of creating and changing policies, building leadership skills, planning programs for your area, attending student conferences, and being part of other campus-wide activities and events. Look for the table at check in.
