GET TO KNOW YOUR AREA COORDINATOR

I just want to start off by welcoming you to MTSU and to the Scarlett Commons community. We are going to have a great year and I am very excited that you are going to be a part of it.

I would like to tell you a little about myself. My name is Jeff Hooks and I will be your Area Coordinator this year. I did my undergraduate degree in Political Science at Mississippi State University and I also completed my graduate degree at Mississippi State University in Public Policy and Administration. I served four years in the active duty Army and three years in the Mississippi National Guard. I served one tour in Iraq and made it

back in one piece. I am married and you will probably see my wife Haley at many of the awesome events the Scarlett staff will be hosting this year.

I encourage any resident that would like to be more involved in the Scarlett community to join this year's Scarlett Commons Area Government. This group will host programs throughout the year and be the voice for the resident of Scarlett.

I do want to touch base on a few important items. Please do not put garbage in the landings, if you do, you will be charged for its removal. Please do not allow overnight guests to

stay in your apartment. Scarlett Commons is subject to the same visitation rules as other residence halls. When using the laundry room, please do not leave your clothes overnight and please do not throw your trash on the floor. Finally, I encourage all of you to get to know your RA. They are really excited to get to know each of you and look forward to seeing you at their programs.

Feel free to stop by my office in the Scarlett clubhouse if you ever want to chat about anything or have any questions. My door is always open.
