MTSU ADMISSIONS APPLICATION FEE WAIVER REQUEST FORM FOR
SUMMER OR FALL 2014

To better assist our potential students who may have financial needs, we request the high school counselor to verify that the student qualifies for one of the following categories/services program and meets one of the following freshman admissions standards. The student can apply online, and by completing this verification form, we can expedite the application process.

1. Check category/service the student qualifies for:
   - Student is eligible for free/reduced lunch program.
   - Student has been granted a test fee waiver from ACT or College Board.

2. Check one admissions standard the student qualifies for:
   - 3.00 or better high school GPA and college preparatory courses.
   - 22 ACT/1020 SAT or better composite and college preparatory courses.
   - 2.7 or better high school GPA and a 19 ACT/900 SAT or better composite and college preparatory courses.
   * College preparatory courses are those such as the 16 high school units required in the core elements of the Tennessee High School Diploma

_________________________________________________________  ___________________________
Student’s Name                                                                                     High School Name

_________________________________________________________  ___________________________
Counselor’s Signature                                                                                  Date

The High School Counselor should fax (615-898-5478), mail, or electronically (mary.winsett@mtsu.edu) send this form with the student’s high school transcript and ACT/SAT scores. The student will apply online at www.mtsu.edu/applynow and once this form, transcript, and test scores are received, we will process the online application.

We appreciate your assistance and look forward to having your student become a part of
Middle Tennessee State University Student Body.
