MTSU purchased insurance cost of premiums are estimated from \$276.00 per semester to \$756.00 **per calendar year**.

It is the student's responsibility to have his/her financial situation in order before entering the University. You must pay for your tuition, room, meal ticket, insurance and fees upon registration. The University does not have provisions to accommodate students arriving with insufficient funds. Students not complying are in jeopardy of invalidating their immigration status and can be subject to deportation.

To maintain legal non-immigrant status, undergraduate students must enroll for a minimum of 12 semester hours; graduate students must enroll for a minimum of 9 semesters hours. Graduate students that have been officially awarded a Graduate Assistantships are allowed to register for a minimum of six (6) graduate hours of credit. INSTRUCTIONS ARE ON THE BACK OF THIS FORM TO VERIFY FINANCIAL RESPONSIBILITY AND SPONSORSHIP INFORMATION.

IMPORTANT SPONSOR INFORMATION AND VERIFICATION

When signing as a sponsor, you are agreeing to sponsor a student financially. Immigration & Naturalization Service and MTSU expect that you willingly defray the student's expenses. It is unethical to have a student arrive in the United States to learn that the funding promised has been withdrawn. It is detrimental to this type of visa holder as they can not work outside the campus community nor make enough money on campus to pay for tuition, fees and living expenses.

I have read the above paragraph and certify that I will sponsor the named student's financial needs. I am financially capable to supply the amount of at least \$24,000.00 (in US dollars) for his/her education for each academic year at Middle Tennessee State University.
