		2021-22	73.3	66.3	7.0
		2022-23	68.4	66.3	2.1

Note: Quality Assurance Funding (Performance Funding) - Effective 2010-11, Quality Assurance Funding standards state that each major field test must be compared to national norms or national pass rates when available. For locally developed tests comparison is made to the score most recently reported for the Quality Assurance Funding program.

Nursing major: There is no major field test for Nursing since the students take the licensure exam.
