

## Welcome to Cummings!

Cummings is home to two Living Learning Communities (LLCs): Aerospace & Raider Village. This combination of you and your fellow students creates a unique space on campus that is diverse, exciting, and particularly dedicated to the values of MTSU! As such, we encourage you to connect to us and the MTSU community as a whole by getting to know those who are different from you, engaging with the many opportunities on campus, and getting involved with the diverse, welcoming, and fun community both in Cummings and on campus. Our staff will be seeking connection in turn through getting to know you individually, and leading the way in the creation of our diverse, welcoming, and fun community. Thanks for choosing Cummings and we look forward to meeting you

We hope that all of you will join with us to make Cummings a safe, healthy, and inclusive community this year. Certain safety measures have been put in place to promote a healthy environment, and we ask that everyone do their part to keep our community healthy, and we encourage you to actively engage with building a fun and inclusive community in ways which help keep all of us safe.

Thanks to all of you again for your engagement with our Cummings community!

- The Cummings Team

### The Cummings Team

#### Area Coordinator (AC)

Amy Williamson

615.898.5119

Amy.Williamson@mtsu.edu
