# WELCOME TO SCARLETT COMMONS

---

## Welcome residents of Scarlett Commons!

**We are looking forward to this semester with you all and will have activities around the campus planned for you to enjoy. You are located across from the Union and Rec. You will have a Resident assistant in each building, desk assistant staff at the front desk, and professional staff to help you with any of your needs. We highly recommend you use us all as a resource to help you through your college experience. Check the Housing site for things to bring to campus. We can't wait to meet you!**
