ShareFair 2009

Since 2004, the Information Technology Division and the Learning, Teaching and Innovative Technologies Center have jointly sponsored ShareFair, an exhibit showcasing the innovative instructional approaches of MTSU faculty who have been recognized for their effectiveness in combining learning technologies with traditional pedagogies. This year, ShareFair also will add informational exhibits on areas increasingly important to instructional excellence, including D2L, new media, and mentoring.

2010 Award for Innovative Excellence in Teaching, Learning, and Technology

Nominees

Amy Hennington, Assistant Professor,
Department of Computer Information Systems

Barbara Young, Professor,
Department of Educational Leadership

This year, the award for Innovative Excellence in Teaching, Learning, and Technology is sponsored by the College of Liberal Arts.
