The VetSuccess on Campus program is a collaborative effort between Middle Tennessee State University (MTSU) and the United States Department of Veterans Affairs (VA) with the purpose of providing a supportive, on-campus environment where Veteran-students may gather to obtain assistance and peer support. The goal of the program is to assist Veteran-students to make a smooth transition to college life and to successfully complete their educational programs.

The VA has placed a full-time, experienced Vocational Counselor on the MTSU campus; her name is Heather Conrad. Heather serves as a “one-stop liaison” for Veterans, active duty military and their eligible family members who attend or plan to attend MTSU. Middle Tennessee State University is currently the only school in the state of Tennessee to have an on-campus counselor from the Department of Veterans Affairs.

We invite you to stop by and meet Heather and learn more about the services that VetSuccess has to offer you. Heather is located in the Keathley University Center, Rm. 124, and can be reached at (615) 898-2974 or via email at heather.conrad@va.gov.
