

WebView Tutorial

How to effectively use and understand Webview

- A website that interacts with software called Resource 25 that Event Coordinators utilize to schedule events on campus.
- This website houses the most up-to-date information on events happening at MTSU.
- Bookmark:
<http://www.mtsu.edu/webviewer>

What is WebViewer?

- The next slide shows what the webpage appears like when you type in the web address from the last slide.
- This is a listing of the days events.
- To search for a specific venue, click on "Rooms" in the upper left-hand corner.
