

Double Bass Audition Requirements

Auditions are required for any student seeking a scholarship and/or acceptance as a music major at MTSU. Official audition dates will be posted. A video recording will only be accepted in special circumstances and with prior approval.

Audition requirements are as follows:

- Two contrasting movements chosen from: a concerto or sonata, short classical pieces and/or etudes. These should effectively demonstrate the lyrical and technical ability of the candidate.
- Major and minor scales – 2 octaves.

Any questions concerning the audition requirements, admission to the music program, or studying double bass at MTSU should be directed to Dr. Carol Nies (crnies@mtsu.edu).
