

## INFREQUENT COURSES, SCHOOL OF MUSIC

**PLEASE READ CAREFULLY:** Many School of Music courses do not meet every semester. This chart, intended as a registration guide for music students and advisors, lists infrequently offered courses under the semesters during which they are *typically* taught. Courses not listed here either meet every semester or on an as-needed basis.

This guide is subject to change. Classes may still be canceled due to low enrollment or added as the need arises.
