Dear Friends,

MTSU has gained notoriety in the world of higher education since becoming the first All-Steinway School in Tennessee. We are proud to be one of only 200 schools in the world that can claim that honor. With that honor comes a commitment that we made in order to maintain our status as "All-Steinway."

To this end, I am writing to announce a special **Two Day** piano sale at MTSU that will include both new and pre-owned pianos from the Steinway, Boston, and Essex family of pianos. It will also include Roland digital pianos and non-Steinway pianos that have been specially-selected for additional discount. *A portion of all proceeds will benefit MTSU's ability to maintain our Steinway inventory.*

The sale will be held in the Wright Music Building Room 173 at MTSU campus on September 15th and 16th.

These pianos have been professionally-maintained by the Steinway Piano Gallery of Nashville. Their representatives will be on site to offer financing options and to facilitate delivery of each instrument as well as any follow-up technical services. If you have a keyboard instrument you wish to trade-in, they will also be able to guide you to include that in your purchase. They will assist you in finding just the right keyboard instrument for your needs.

***There are two options for attending the sale:***

1. Make a private preview appointment for Saturday September 15th from 10:00am to 6:00pm by calling **1-888-505-6672**. This assures you the best selection and pricing in advance of the public sale.
2. Attend the public sale in the Wright Music Building Room 173 on the MTSU campus, Sunday, September 16, between the hours of Noon to 5pm.

Whether you are searching for your first piano or are seeking to upgrade your existing piano, I hope you will take advantage of this opportunity to enrich your life with one of these high quality instruments. In doing so, you will also benefit Middle Tennessee State University. Our commitment to being recognized as an All-Steinway school remains ever steadfast and strong.

Sincerely,

Michael Parkinson, DMA  
Director, School of Music
