

MIDDLE TENNESSEE STATE UNIVERSITY CONVOCATION 2009

SUNDAY, AUGUST 30

How Starbucks Saved My Life is the personal yet universal story of old meeting young, white meeting black, and once-rich meeting once-poor. Besides the validating personal triumph of Gill's success, it deals, in an honest way, with nearly every hot button topic in our country today: classism, racism, ageism, corporate accountability, baby boomer concerns, and medical insurance woes—problems that run deep in our culture, but which are rarely discussed openly.

Keynote Speaker:

MICHAEL GATES GILL

author of the 2009 summer reading selection

Sunday, August 30, 2009 • 1:45 p.m., Murphy Center
