Under the provisions of the Family Educational Rights and Privacy Act (FERPA), I request that no
information concerning me be released to anyone.

Please note: Non-disclosure does not prevent MTSU from disclosing personally identifiable information
from a student’s record:
- to school officials as defined in the MTSU Access to Educational Records Policy: II:02:00;
- to authorized representatives of federal, state and local agencies when that disclosure is in
  connection with financial aid for which the student has applied or which the student has
  received;
- for disclosure to comply with a judicial order or lawfully issued subpoena;
- or for any of the other exceptions to signed consent found in 99.31 of the FERPA regulations.

Filing of this form will not cause Middle Tennessee State University to discontinue verification of
enrollment to lending agencies.

MTSU will make every effort to prevent your e-mail address being released. However, e-mail
addresses may be available from sources other than MTSU.

MTSU assumes no liability for honoring your instructions to release no information.
