

# Selective Service Registration

Male students, age 18 through 25, who have not registered with Selective Service or have not verified with MTSU their registration with Selective Service have a registration hold placed on their records and will not be allowed to register until the conditions for the hold have been satisfied.

According to Federal Law, you must register with the Selective Service System to attend a public university in the State of Tennessee. If you have not registered with the Selective Service System or you want to check and see if you have registered, you can go to their Web site at [www.sss.gov](http://www.sss.gov).

Once you have registered with the Selective Service System, you will need to complete the Selective Service Verification form below which you can obtain in the Registrar's Office or on our Web site at [www.mtsu.edu/records/ss.pdf](http://www.mtsu.edu/records/ss.pdf).

Once completed, you can either mail it to:

MTSU Veterans Affairs Office  
102 Cope Administration Building  
1301 East Main Street  
Murfreesboro, TN 37132

or fax it to (615) 898-5538,

or you can bring it to the Registrar's Office in the Cope Administration Building, Room 102, between the hours of 8:00 a.m. and 4:30 p.m. Monday through Friday.

Once we have your completed form, we will then be able to remove your hold so that you may register for the upcoming semester. Please respond quickly so your registration process is not delayed. If you have any questions concerning this matter, you may contact us at (615) 898-2600 or (615) 898-2601.
