For more information about the International Baccalaureate Scholarship, visit our website at http://www.mtsu.edu/scholarships/ib_scholarship.shtml.

A student's IB status will be requested from the high school counselor for students attending a Tennessee high school which offers an IB program. Students attending a high school outside of Tennessee must submit this completed form by December 1 of the senior year. If you believe you may qualify for an International Baccalaureate Scholarship and do not attend a Tennessee High School, ask your high school guidance counselor to complete and submit this form.
