Each fall, all registered student organizations have the opportunity to participate in the Student Organization Fair. The fair is an ideal recruitment tool for organizations in that it provides a way to meet and interact with potential members. In years past, organizations have set up displays, distributed literature, and met and answered questions for students wishing to know more information. This year, the Student Organization Fair will be held in the Student Union Commons on Wednesday, August 31, 2016 from 10:00 a.m. – 2:00 p.m. Student organizations that wish to participate may sign up for a slot on myMT no later than Friday, August 26th.

Student Organization Resource Lab

All registered student organizations are provided access to the Student Organization Resource Lab located in the Student Union Building room 320. For your convenience, the Resource Lab has been updated and is equipped with eight (8) Dell® computers and four (4) Apple iMacs. All computers have internet access and word-processing software, not to mention that half of them are equipped with graphic design software. Included in the room is a color copy machine for your organization's business use.

Each organization is allotted 1,000 prints each semester for organization use. This equates to 500 black and white copies and 500 color. It is important to note that once a student organization uses their allotment each semester, we will NOT be able to add more copies until the next semester.

This Resource Lab is for student organization business only. Anyone found using the equipment for any other reason not meeting the specifications set forth by the Director of Student Organizations and Service or the Assistant Vice President of Student Affairs will lose privileges for themselves and their organization.

The travel policy applies when the intended travel is to an activity or event located more than 50 miles from the university. MTSU will provide education about safety, crisis response, and trip preparation in the travel manual to assist organizations when traveling. All registered student organizations are required to complete and submit the “Notification of Student Travel” form to the Office of Student Organizations and Service five (5) business days prior to the departure date. Additionally, all student organizations are required to have a travel liaison whose primary responsibility will be to coordinate the groups travel and communicate the travel plans to the Office of Student Organizations and Service. The travel liaison may be the same student for the entire academic year or may change with each trip. Failure to comply with this requirement may result in the immediate suspension of the organization pending investigation by the Office of Judicial Affairs and Mediation Services.

Travel Liaison
An approved travel liaison will be a current Middle Tennessee State University student, member of registered MTSU student organization. Travel Liaison will be responsible for submitting the travel notification form five (5) business days prior to travel; collecting emergency contact information for each individual traveling five (5) business days prior to departure; serving as the primary contact with the organization advisor; and submitting copies of all information to the organization’s advisor and Director of Student Organizations and Service. Student Organization Office Space

The purpose of this policy is to outline the guidelines for use of designated rooms or office space within the Student Union by a Student Organization.

1. Use of space within the Student Union is a privilege which will be extended to certain MTSU registered student organizations on an annual basis or at discretion of the Director of Student Organizations and Service.
2. The Office of Student Organizations and Service reserves the right to terminate an organization’s use of space at the end of the designated occupancy period or due to a violation of the terms of use for the space. They also reserve the right to refuse to accommodate any organization’s request for space.

Terms of Use:

1. The Office of Student Organizations and Service shall determine the length of use for each space. Typical length to use will follow an academic year calendar. Each space occupancy agreement will be reviewed on an annual basis with each group submitting a new request to utilize the space for the next academic year. Renewals are not guaranteed and may be contingent on allowing other student groups an opportunity to occupy office space.
2. Requests for space occupancy and renewal of space will be in April each year and will be reviewed by the Student Organizations and Service Director or designee. Decisions will be made by the end of the spring semester.

Criteria for Student Organization Office Space:

- A registered student organization with the Office of Student Organizations and Service (LS) a minimum of one year, attended Presidium (President’s Retreat), completed all necessary reports through myMT, and in good standing with the University.
- Documented activities/programs that serve the MTSU student body (e.g. number of programs, numbers of student participation in meetings and events; co-sponsorship, open engagement with the University and greater community)
- Demonstration that the organization’s activities reflect its stated mission, goals, and objectives.
- Suitability of organization functions and needs for available space.
Priority given to groups who can demonstrate:

- A student organization that has been registered with Student Organizations and Service for at least one year.
- Affiliation with the Center for Student Involvement and Leadership
- Ability to share space with other groups
- Willingness to maintain office hours (10 hours per week)
- Lack of other designated space on campus

Guidelines for Use of Space:

1. The Office space is to be utilized for legitimate activities, meetings, gatherings, and functions consistent with the registered purpose of the organization and the curricular and co-curricular mission of the University, and shall be compliant with all terms of this Agreement and University policies (MTSU Rights and Responsibilities, TBR Policies, Student Union Policies).
2. It is expected that all groups and guests of the organization utilizing the space maintain an attitude of respect and civility and respond in a professional manner to Center for Student Involvement and Leadership (CSIL) requests.
3. Organizations must maintain a minimum of 10 offices hours each week. All office hours must be posted on the door so that guests will know when they can reach you.
4. Sleeping, overnight stays, or using the office space as a place of residence in any way by any individual is absolutely prohibited and will automatically subject guilty persons to University disciplinary action and may result in immediate loss of office space privileges for the organization.
5. The designated office space must be kept clean and organized. Any shared common space should be kept clean of trash and other items at all times. Any changes in office appearance must be submitted to and approved by the Director of Student Organizations and Service. This includes changes of paint, hanging items on the wall, etc.
6. All furniture assigned to the office/space must remain in the office. All common area furniture must remain in the common area space and should not be placed in offices.
7. All damages to the space (carpet, furniture, walls, equipment, locks) are the responsibility of the organization, which may be assessed the cost of repairs, replacement and/or fines for the damage.
8. Guest Policy: An MTSU Student Organization member must accompany visitors who are not MTSU students or organization members. Organizations are responsible for guests’ behaviors and actions.
9. MTSU assumes no responsibility for materials placed in or missing from the allocated spaces. No cash should be left in offices; deposits should be made within 24 hours following any collections.

10. Any general maintenance concerns should be reported to the Office of Student Organizations and Service.

11. Organizations that lose recognition by MTSU or the Office of Student Organizations and Service will automatically forfeit their allocated space.

12. Allocated space will be checked weekly to ensure appropriate use and safety.

13. If it is determined that an organization is not utilizing their designated space or is using it inappropriately the Student Organizations and Service Director has the right to terminate the organization’s use of the space.

Agreement:
I have read and understand the Student Organization Office Space Policy as well as the general Student Union policies. By signing below I am stating that my organization agrees to follow the above listed policies as well as the MTSU Rights and Responsibilities handbook. We realize that failure to do so could result in a loss of our designated space.

Registered student organizations that wish to conduct a fund-raising bake sale or candy sale must obtain required signatures 1 and 2 on Exhibit A, Application to Bring Food on Campus. Student Programming and Raider Entertainment (S.P.A.R.E.)

S.P.A.R.E. is a student group advised by the MTSU Student Programming & Activities Office. It is S.P.A.R.E.'s mission to provide quality, low-cost entertainment for students throughout the year. S.P.A.R.E. focuses its efforts on providing various types of entertainment to the student body: Concerts, Films, Games, Social Awareness, Spirit Activities, and Variety.

Students involved with S.P.A.R.E. will have opportunities to get event planning and coordination experience, paid employment, and network through meeting new friends and getting involved. Events held throughout the school year include concerts, trivia nights, movie screenings, and much more! More information on how to get involved is found at mtsu.edu/events

S.P.A.R.E. operates under the MTSU Student Programming & Activities Office and is funded through student activities fees. In return, we put the money back into the students' hands through our programming councils. Events are planned, promoted, and implemented by MTSU students with the goal of providing the best entertainment at the lowest cost.

We understand that collegiate education outside of the classroom is essential to the well rounded college student. We know that providing students with individual opportunities to learn and grow experientially complements the great education that students at MTSU receive resulting in well-rounded and successful graduates. We believe that all programs and experiences we offer are structured to help students make the most of their education at Middle Tennessee State University.

**BANNER SPACE**
The Student Unions department offers designated spaces inside the Student Union building and outside the Keathley University Center where student organizations and MTSU departments may display banners. Requestors may submit a reservation application to hang banners on the patio railings outside the KUC Grill, on the KUC columns (charges apply for this area, as Facilities Services must be enlisted to hang these banners) and/or in the Student Union Atrium on the 2nd floor railing. The newly updated banner reservation application outlines specific guidelines on the size and type of banner that may be displayed in each area. Please read these details carefully to ensure that your organization/department does not waste time and money on a banner that does not meet the requirements.

**PLEASE NOTE:** Bed sheets are no longer permissible in any area, but canvas cloth is an inexpensive alternative for handmade banners. Banner reservation applications: [http://www.mtsu.edu/mtunions/documents/BannerSpaceApp.pdf](http://www.mtsu.edu/mtunions/documents/BannerSpaceApp.pdf)

**The following conditions must be met in order to receive banner approval:**

- Banner space applications must be submitted a minimum of 5 - 7 business days prior to reservation date, though more lead time is appreciated.
- Banner space may be utilized only by registered student organizations or MTSU departments for the purpose of advertising events and/or promoting their organization.
- Banners may be displayed up to two (2) consecutive weeks unless approved by the Dean of Student Life or his/her designee for a longer period of time.
- Banners are limited to one per organization unless approved by the Dean of Student Life or his/her designee.
- Banners must be retrieved from the Information Desk of the building where they were hung (KUC or Student Union) no later than five (5) business days following the removal date, after which they will be discarded. **The Student Unions department is not responsible for the loss or damage to any banner.**
- Banner space is available on a first-come, first-served basis. Placement will be determined by available space in the requested location at the time of the reservation.
**FLYER POSTINGS**
Student organizations, MTSU departments and individuals may post flyers on designated bulletin boards in the Student Union, Keathley University Center, and James Union Building. No reservation is required, but each posting must be approved and stamped by the Student Unions department. Approval may be acquired at the Student Union Information Desk or the Keathley University Center Information Desk when an attendant is on duty. The Student Unions department reserves the right to decline any posting that is deemed inappropriate.

**HANDBILLS/PAMPHLETS/TABLE TENTS**
Registered student organizations and MTSU departments may request permission from the Student Unions department to distribute printed materials such as handbills, pamphlets, etc. Details on where and when these items may be disseminated will be determined on a case-by-case basis, according to the nature of the advertisement and the intended audience. Printed materials found around the buildings and grounds in areas not explicitly approved by Student Unions staff will be discarded. Unapproved printed materials found around the buildings and grounds will be discarded and promoters will be asked to leave campus.

**YARD SIGNS & OTHER OUTDOOR ADVERTISING**
Yard signs advertising or promoting products, events, or services by unaffiliated groups or individuals or by commercial enterprises are prohibited. Only registered student organizations and departments are authorized to post yard signs. No reservation is required, and yard signs are allowed in most locations on campus, with the exception of all campus roundabouts and the President's Lawn. Yard signs must not block or protrude onto any sidewalk or impede accessibility to any walkway on campus. They must be removed by sponsoring organization promptly after event concludes.

**CHALK**
Sidewalk chalk is **NOT** permitted on campus grounds. Chalking is treated as a police offense for Destruction of Public Property.
