Cover Memo for Proposed Admission and/or Standards Change (MTSU)

On-campus memo:

TO: Admission and Standards Committee

FROM: Jenny Sauls, Ph.D., RN Director

(Department Chair or Program Coordinator)*

CBHS- School of Nursing

(College, Program or Department)*

Contact Person: Richard C. Meeks DNP, RN

EMAIL: richard.meeks@mtsu.edu

RE: Admissions Policy- Deletion of the Interview process- Traditional BSN program

(Specify issue[s] being submitted to the committee.)

DATE: March 1, 2016

Level or area to which change(s) would apply:

☑ University  ☐ College  ☐ School  ☐ Department  ☑ Program

☐ Other?

Program(s) and/or student population(s) affected: Traditional BSN program

(Note that an Impact Data Form must be submitted along with the proposal.)

This change would fall into the following classification(s) (check all that apply):

☐ Proposed change in GPA for admission

☐ Proposed change in GPA for retention

☐ Proposed change in GPA for graduation

☐ Proposed change in test or pre-requisite requirements for admission

☑ Proposed change in other requirements for admission

☐ Proposed change in policies or requirements for placement

☐ Proposed change in policies or requirements for retention

☐ Proposed change in policies or requirements for graduation

☐ Proposed change in grading scale

☐ Proposed change to academic program requirements

☐ Proposed standards for a new program

☐ Other

Description of Change Proposed:

(Attach separate sheet as needed.)

Deletion of the Interview from the traditional BSN admissions process/

Rationale/justification for change (Please ensure that all aspects and ramifications of the change are addressed. Attach separate sheet as needed):

See attached.
Dissemination of information:

The following colleges, program or departments may be affected by this decision:
School of Nursing only

I certify that I (or my representative) have consulted with each college or program that may be affected by the proposed changes.  
Proposer's signature: [Signature]  
March 1, 2016  
Date

Other permissions sought: If this change is connected to curriculum or program development, have the appropriate forms been submitted to the general education, curriculum or graduate committees? If a proposal will/may impact enrollment in specific courses or programs, have concerned departments or programs been consulted? Please include dates of submission and/or approval as relevant.
Approved via SON faculty, CBHS Dean and University Curriculum Committee 2/26/16

Other signatures needed for approval of proposal:

[Signature]  
Department Chair or Program Coordinator*  
Date of initial proposal  
01/12/16

[Signature]  
College Dean *  
Date of college approval  
3/2/16

Chair Admission and Standards Committee  
Date approved by ASC

Vice-President for Student Affairs / Vice-Provost for Enrollment & Academic Services  
Date approved by VPSA

Provost  
Date approved by Provost

President  
Date approved

* Note: When the proposal does not come from an academic unit, replace titles as needed. If a proposal comes directly from a dean or higher, the first signature may be omitted.
Please refer to TBR Policy 2:01:01:00, TBR Guideline A-010, and THEC Policy A1:0 and A1:1 before developing a proposal.

INSTRUCTIONS: Please respond to each question. If the question is not applicable, please use “NA” and include a brief explanation of why the question is not applicable to the proposed action. The form will expand to allow space as needed and must be submitted to the TBR Vice Chancellor for Academic Affairs or Vice Chancellor of Community Colleges as appropriate an MSWord document.

INSTITUTION: Middle Tennessee State University

PROPOSAL: Deletion of the interview from the traditional BSN admission process.

PROPOSED EFFECTIVE DATE: To begin Fall 2016

PURPOSE: The mission and purpose of Middle Tennessee State University (MTSU) is to prepare graduates through signature programs. The University generates, preserves and disseminates knowledge and innovation and uses scholarship to enhance teaching and public service. The University is committed to prepare students to thrive in their chosen professions and changing global society.

The mission of the MTSU School of Nursing is to provide excellence in nursing education by preparing individuals to meet the dynamic and complex health care needs of society. Through robust academic programs, the School of Nursing demonstrates its commitment to the art and science of nursing. For the reasons stated below, the School of Nursing faculty have determined the interview outlined in the traditional BSN admissions criteria is not an adequate determinate of overall success in the program and post-graduation licensure examination (NCLEX).

NEED/RATIONALE:
As stated above, the overarching goal of the School of Nursing is to prepare graduates to pass the national licensure exam (NCLEX) post-graduation and become licensed as a Registered Nurse (RN).

Currently, NCLEX examination scores are declining. The most recent composite report dated September 30, 2015 documented a 72.73% first time exam pass rate. Out of 25 first time exam takers, 16 graduates passed and 8 graduates failed. Realistically, these results are unacceptable and does not reflect the School of Nursing goal of greater than 90% pass rate for graduates.
Interviews are subjective. The School of Nursing faculty values the ability to interact with students prior to acceptance in upper-division nursing courses, but finds the scoring of interviews inaccurate and potentially biased because of personality, appearance and social skills. Currently, interviews are completed and scored by two faculty members. A review of interview scores over several semesters documented a wide variance in scores according to faculty and question difficulty. For these reasons, deletion of the interview process is necessary.

**IMPACT:** The impact of the deletion of the interview process from the admissions process in the traditional BSN program will be positive. Hopefully, this deletion will assimilate students better prepared to be successful in the program, and on the state licensure exam post-graduation.

**PLANS FOR ACCREDITATION:** NA- This change will not require a review or notification of accreditation bodies.

*The following two items require the completion of separate forms as indicated below. Do not complete the remainder of this document.*

___ Name Change for Existing Program or Academic Unit (USE NAME CHANGE FORM ONLY ON TBR ACADEMIC AFFAIRS WEBSITE)

___ Establish an Off-Campus Site/Off Campus Center. (USE THEC OFF-CAMPUS SITE/CENTER APPROVAL FORM(S) ONLY ON TBR ACADEMIC AFFAIRS WEBSITE)

Note: In keeping with the THEC Policies, the **THEC Off-Campus Site /Center Approval Forms** must be submitted for review. No announcements may be made regarding opening new site or center until the THEC approval is granted per THEC Policy 1.0.60B

**Type of Change (Check all those that apply):**

___ Change of degree designation for an existing academic program or concentration per written recommendation of a disciplinary accreditation body or to more accurately represent the title to the workplace. Documentation must accompany the change request.

___ Change of degree designation for an existing academic program or concentration when the change involves a significant curriculum shift in redefining the program’s purpose.

___ Change/Add degree designation for existing programs

___ Consolidate an existing academic program
Consolidate existing academic programs regardless of degree designations for Performance Funding purposes only

Conversion of an existing ground program to a fully on-line program (Indicate with or without maintaining the existing ground program)

Curriculum modifications which increase or decrease total hours required for a degree.

Substantive Curriculum Modification (i.e., 9 or more SCH at the community college, 18 or more SCH undergraduate, 9 or more at graduate, or 50% or more certificate) in an existing academic program. Provide a side-by-side comparison of the existing and proposed curriculum.

The proposed program requires completion of ____ SCH distributed as follows:

<table>
<thead>
<tr>
<th>Curriculum Component</th>
<th>SCH Required</th>
</tr>
</thead>
<tbody>
<tr>
<td>General Education</td>
<td></td>
</tr>
<tr>
<td>Major Field Core (required of all students in program)</td>
<td></td>
</tr>
<tr>
<td>Concentration (courses specific to the concentration)</td>
<td></td>
</tr>
<tr>
<td>Electives (may be guided or general electives)</td>
<td></td>
</tr>
<tr>
<td>Other (specify, i.e.)</td>
<td></td>
</tr>
</tbody>
</table>

TOTAL SCH:

No. of new courses: ____ with ____ credit hours
No. of SCH impacted by the revision since last TBR action ____

Establish a certificate less than 24 SCH (Provide the curriculum, justify the demand for the requested certificate and any alignment with other existing programs or certificates. Any new costs require the completion of the THEC FP.)

Establish a new concentration or MINOR (Justify the demand and show side-by-side comparison of proposed curriculum along with the curriculum for any other concentrations or minors within the existing degree. Any new costs require the completion of the THEC FP.) (Minors may be approved by the Vice Chancellor for Academic Affairs or referred to the Board.)

Establish a free standing degree program from an existing concentration with a steady enrollment and graduation rate for a period of at least three years may request to be recognized as a freestanding degree if the establishment of the concentration as a degree does not compromise the remaining degree and does not require new faculty resources. Provide documentation of enrollment and graduation data for the existing concentration. If there are multiple concentrations within the existing, provide enrollment and graduation data for all concentrations within the degree to
demonstrate that becoming freestanding will not endanger other concentrations within the existing degree.

___ Establish a free standing degree program from an existing concentration for more accurate Representation of title to the workplace. Provide letters of support from the workplace to demonstrate more accurate representation as a freestanding degree. (See TBR policy 2:01:01:00 II (m) for performance funding implications.)

___ Establish a new academic unit or reorganization (Specify department, division, college, school, campus sponsored centers not seeking Center of Excellence/Emphasis status through the THEC, centers within existing academic units, institutes, bureaus, campus, etc.) (Attach a current and proposed organizational chart.) Specify if the requested action results in a net gain of an academic unit (i.e., department, on-campus center, institute, bureau, division, school, or college). The THEC has established additional requirements which must be attached to this request which may be located at http://www.tn.gov/thee/Divisions/AcademicAffairs/academic_programs/THEC%20Administrative%20Units%20Form%20Feb%2027%202015.pdf. This action will be reviewed with Executive signature action by the THEC.)

___ Establish an articulation agreement between institutions

___ Extend an existing degree program to be delivered 100% at an off-campus location. (Extension to 100% off-campus delivery requires additional action if the location of delivery is to be converted from a “site” to a “center.”)

___ Inactivation of an existing program or concentration (If a program is not reactivated within a period of three years, the program will automatically be terminated and removed from the Academic Inventory by December of that year.)

___ Reactivation of a program that was placed on inactivation within the past 3 years
Date of inactivation: ____________ Date of proposed reactivation: ____________

___ Termination with or without phase-out of an existing program or concentration

___ Policy Revision: Admission/Progression/Graduation (institutional or program specific)
(Attach the current and proposed policy as a side-by-side comparison)

___ Other ____________

3. Indicate Program, Certificate and Concentration Change as Reflected in the Academic Program Inventory:
<table>
<thead>
<tr>
<th>Before the Proposed Change (List as it now appears on the official Academic Program Inventory at THEC)</th>
<th>After the Proposed Change (List as it should appear on the official Academic Program Inventory at THEC, once approved.)</th>
</tr>
</thead>
<tbody>
<tr>
<td><strong>Title of Old Program or Certificate Option</strong></td>
<td><strong>Title of New Program Certificate, or Concentrations existing after revision is approved.</strong></td>
</tr>
<tr>
<td>(Include all existing concentrations before revision.)</td>
<td>Degree CIP Code</td>
</tr>
<tr>
<td>NA</td>
<td></td>
</tr>
</tbody>
</table>

4. *Attach a copy of the "before and after" curriculum or organizational chart, as applicable, and a rationale for the proposed change. For policy changes, include the current and proposed policy. Whenever possible a side-by-side comparison is preferred.*

5. Intended implementation date for program change:  NA

6. For terminations, date phase-out period will end:  NA

   (If the phase-out period is greater than 1 year for certificates or 3 years for any other program, explain why more time is needed.)

7. **If any new costs are anticipated, attach the THEC Financial Projections Form.**
   None

8. Describe the anticipated impact for students, personnel, fiscal resources, and other clientele.
   None
Middle Tennessee State University
School of Nursing
Admissions Criteria Proposal - Current Criteria Spring 2016

1. Tentatively or fully admitted to MTSU
2. Inclusive (institutional and transfer) GPA of 2.8 on a 4.0 scale posted by the application deadline
3. Minimum score of 75 on standardized entrance exam
4. Complete and submit all application materials by the posted deadline including:
   a. Completed School of Nursing application
   b. Copy of standardized entrance exam score report
   c. Documentation of work experience by:
      i. Pay stubs accompanied by a signed letter of verification describing type of work experience (on letterhead)
      ii. Signed letter of verification from manager or supervisor (on letterhead)
   d. Official undergraduate college transcripts from all universities attended
5. Complete all General Education and required pre-nursing courses as outlined by the MTSU Undergraduate Catalog
   a. Earn a passing grade ("C", an "S", or a "P") in all General Education and required pre-nursing courses.
   b. Or receive written approval for substitution/waiver of a course
   c. Or receive credit by examination for General Education course requirements as determined by MTSU
6. All eligible applicants must be interviewed
7. Students will be selected for admission according to the admission criteria via a calculated score:
   a. Overall GPA
   b. Standardized entrance exam score
   c. Interview score
   d. Credit for work experience (if applicable)
8. A number of student admitted is limited based on availability of faculty and clinical sites. A list of alternates eligible for admission will be established based on composite scores. At least 80% of the total number of students enrolled must be Tennessee residents.
9. Students who are not admitted to the Upper-Division nursing program, must reapply to be considered in subsequent semesters.
10. Accepted students must confirm acceptance of admission into the Upper-Division program and complete degree requirements within 4 years of beginning the Upper-Division nursing courses

Highlighted items above are proposed deletions
1. Tentatively or fully admitted to MTSU
2. Inclusive (institutional and transfer) GPA of 2.8 on a 4.0 scale posted by the application deadline
3. Minimum score of 75 on standardized entrance exam
4. Complete and submit all application materials by the posted deadline including:
   a. Completed School of Nursing application
   b. Copy of standardized entrance exam score report
   c. Official undergraduate college transcripts from all universities attended
5. Complete all General Education and required pre-nursing courses as outlined by the MTSU Undergraduate Catalog
   a. Earn a passing grade ("C", an "S", or a "P") in all General Education and required pre-nursing courses.
   b. Or receive written approval for substitution/waiver of a course
   c. Or receive credit by examination for General Education course requirements as determined by MTSU
6. Students will be selected for admission according to the admission criteria via a calculated score:
   a. Overall GPA
   b. Standardized entrance exam score
7. A number of students admitted is limited based on availability of faculty and clinical sites. A list of alternates eligible for admission will be established based on composite scores. At least 80% of the total number of students enrolled must be Tennessee residents.
8. Students who are not admitted to the Upper-Division nursing program must reapply to be considered in subsequent semesters.
9. Accepted students must confirm acceptance of admission into the Upper-Division program and complete degree requirements within 4 years of beginning the Upper-Division nursing courses

Records Entered:  Updated 10/23/14
Admission and Progression in the Upper-division Nursing Curriculum

1. Updated information and application forms must be on file in the School of Nursing by published application deadlines.

2. Transcript validation of all prerequisite courses must be on file in the MTSU Records Office and in the School of Nursing by published application deadlines.

3. Student must have completed BIOL 2010/BIOL 2011 with a grade of C (2.00) or better before making application to upper-division nursing.

4. Applicants must have no grade less than a C (2.00) in any prerequisite and General Education course by the end of Summer Term (for those entering in Fall Semester), or by the end of Fall Semester (for those entering in Spring Semester).

5. Scores from a standardized examination and an interview, along with the cumulative college grade point average will be used to calculate a composite score and to rank candidates for progression to the upper division. To be considered for admission to upper-division nursing, a minimum GPA of 2.80 is required.

6. Add 1/2 point to composite score for any student who can provide documented evidence of clinical experience providing direct patient care for a period of at least 380 hours within the two years prior to making application to upper-division nursing.

7. Students must attain a minimum grade of C (2.00) in all theory courses as well as a "pass" in each corresponding lab/clinical course.

8. Comprehensive assessment tools and/or standardized exams are administered throughout the curriculum.

9. Students will be asked to present evidence of physical and/or mental health prior to or at any time during their enrollment in the nursing courses. Students must be physically, emotionally, and cognitively able to meet the criteria required for clinical skills. Students must be able to perform clinical skills without physical or psychological threat to themselves or others. Students who have chronic health problems which are controlled and which do not put themselves or others in danger are eligible to be considered for admission.

10. Faculty reserves the right to determine each student’s eligibility to participate in clinical rotations based upon satisfactory preparation, meeting School of Nursing and clinical agency’s policies, and performance at a safe level of practice. If any of these are not satisfactory, faculty may give a student an unsatisfactory grade and ask a student to leave the clinical agency for the day.

11. Students with infectious diseases will not be permitted to participate in clinical experiences. Causes for clinical absences must be cleared with the instructor and reported to the clinical agency before the clinical experience is to begin. Unexcused absences will be counted as unsatisfactory clinical performance.

12. Students will be dismissed from the Nursing major if they
   a. commit a breach of ethics or gross professional negligence, or
   b. use mind-altering drugs or alcohol when engaged in any nursing activity in or outside of class, or
   c. fail to progress due to unsuccessful attainment of requirements. Students who fail to progress will be readmitted on a space-available basis. **Only one readmission for failure to progress will be allowed.** Students admitted from other nursing programs in which a grade of D (less than 2.00) was made in nursing will not be readmitted after one failure.
   d. violate the student honor code.

13. If a student fails a nursing course at MTSU, he/she must repeat that course at MTSU.
Admission and Standards Committee
IMPACT DATA FORM for PROPOSED CHANGES

Department or Program or University Office: CBHS - Nursing

Brief Statement of Proposed Change: Interview Process- Deletion Date: March 1, 2016

1. Detailed discussion of how proposed changes may impact students, prospective students, university programs and/or other. *(Use as much space as you need below. You may refer to cover memo and its attachments as needed to avoid repetition.)*
See supporting documentation attached.

2. Identify the student population(s) that will be affected.
Pre-Nursing applicants

3. Are there plans to make this proposal retroactive? If so, please indicate when (specify the date) and identify student population(s) who will be affected. *(For example, “students admitted under the 2004 catalog or earlier.”)*
None-- to be implemented Fall 2016

4. Discuss the specific impact on students. Provide enrollment and/or other relevant data for the past three years, including appropriate demographic data (e.g. male, female, minority, part-time, older students etc.) to illustrate the possible impact on specific groups. *(For example, for a proposal to raise the GPA for graduation, provide a breakdown of graduating student GPA by different demographic groups.)* Attach supporting documentation.
See supporting documentation attached.

Proposed Effective Date Fall 2016
PROPOSAL: Deletion of the work experience credit from the traditional BSN admission process.

PROPOSED EFFECTIVE DATE: To begin Fall 2016

PURPOSE:

The mission of the MTSU School of Nursing is to provide excellence in nursing education by preparing individuals to meet the dynamic and complex health care needs of society. Through robust academic programs, the School of Nursing demonstrates its commitment to the art and science of nursing.

For the reasons stated below, the School of Nursing faculty have determined the interview outlined in the traditional BSN admissions criteria is not an adequate determinate of overall success in the program and post-graduation licensure examination (NCLEX).

IMPACT:

As stated above, the overarching goal of the School of Nursing is to prepare graduates to pass the National Licensure Exam (NCLEX) post-graduation and become licensed as a Registered Nurse (RN).

Currently, NCLEX examination scores are declining. Below are aggregate scores from years 2010 to 2014. Applicants are tested approximately four to six weeks after graduation. The School of Nursing offers two cohorts per year (Fall/Spring).

<table>
<thead>
<tr>
<th>Year</th>
<th>Tested</th>

<td>145</td>
<td>121</td>
<td>83.40%</td>
</tr>
</tbody>
</table>

BSN NCLEX pass rates 2010-2014

Realistically, these results are unacceptable as aggregate scores do not reflect the School of Nursing goal of greater than 90% pass rate for graduates. Currently, the School of Nursing has been given a year extension on current state board accreditation. If NCLEX scores do not improve, accreditation and the program will be in jeopardy.
The interview was added to the BSN admissions process via the 2012-2014 undergraduate catalog. Interview scores are subjective. The School of Nursing faculty values the ability to interact with students prior to acceptance into upper-division nursing courses, but finds the scoring of interviews inaccurate and potentially biased because of personality, appearance and social skills. Currently, interviews are completed and scored by two faculty members. A review of interview scores over several semesters documented a wide variance in scores according to faculty and question difficulty. For these reasons, deletion of the interview process is necessary.

In 2014, School of Nursing faculty realized the interview was not providing reliable, equitable scores for applicants, the weight of the interview was decreased. Ultimately, faculty tried to compensate for the subjectivity of the interview process. In 2015, the formal removal of the interview process was approved by faculty. Since then, all candidates have been given a 1.0 (participation) score for the interview. This approach standardized scores and decreased subjectivity of the interview.

**Gender/ Ethnicity bias:**

The deletion of the interview will not affect admission of men or people from a non-Caucasian background. Since the School of Nursing is now giving a 1.0 standard score, the deletion of this admission standard will not even re-order students according to composite score.

**PLANS FOR ACCREDITATION:** NA- This change will not require a review or notification of accreditation bodies.
