Anthropology • Speech and Theatre

The College of Liberal Arts, through its ten academic departments and one
school, educates and serves all MTSU students in the University’s General
Education Program; offers graduate and undergraduate majors, concentrations,
minors, interdisciplinary programs, and teacher preparation programs; and pro-
vides a wide variety of cocurricular activities including lecture series, concerts,
performances, and exhibitions. With diverse programs in the humanities; social
and earth sciences; and visual, performing, and communication arts, the college
brings together an outstanding faculty and students to form a community devoted
to lifelong learning, scholarship, research and discovery, and public service.
Through both curricular and cocurricular offerings, the college also seeks to
enrich the University and regional community with scholarly and cultural activities
designed to promote among all University citizens and patrons a broad knowledge
of liberal arts disciplines; a commitment to continual intellectual growth; the
ongoing improvement of skills that enhance communication, problem-solving,
and creative and critical thinking; and a global perspective that supports an
appreciation of the cultural diversity within our region and beyond.

Following are the curricula, courses, and specific requirements for majors,
concentrations, minors, and interdisciplinary programs offered or coordinated
by each of the academic units within the college.
